Bonneville is a kaleidoscope of moods and meanings.

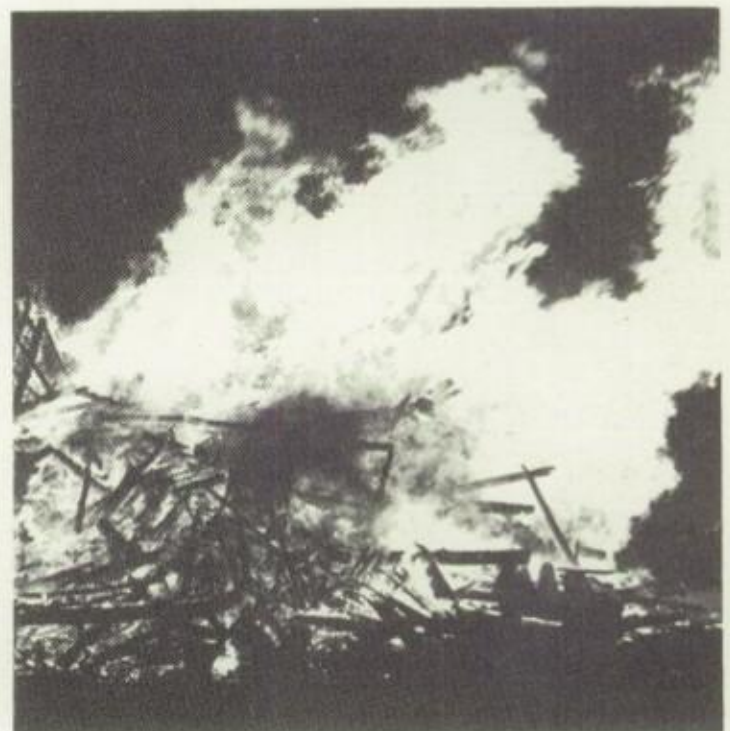

FOREWORD

Ever since cave man first carved out a wheel, man has been in a whirl of activities. He bounced down the road of time in a chariot, a covered wagon and a railroad train. With circles he has conquered space and distance, efficiency and industry. Wheels, gears, and balls have played an intricate part in the past, and this generation is no different.

Today's teens are a "never say die" group. Given a bit of encouragement--the sky's no limit. Given a bit of chance--they'll emerge with a glow of accomplishment and eagerness to proceed onward. Their world is a world of adventure and excitement, of search and conquest. It is a world diversified and frightening, a world of conflicting and confusing ideas and ideologies, encircled with propaganda. Within this world of atomic horror, teens have found a promise of fun, hope, progress, and love.

Bonneville's sphere of activities includes: gay dancers, feeling the pulsating beat of rock and roll...dull books, reposing read and unread on locker shelves...afternoon cokes, inviting and refreshing...and bullsessions on turtlepaced Fridays, stimulating to dulled senses. It is a memorable world from the first football victory to the last romantic dance of the year.

The purpose of life is not mere existence, pleasure, fame or wealth, but the perfection of humanity through individual achievement. We, of this generation, are helping to make man's ride through life less of a bounce and more of a glide.

SCHOOL

Stand and give your pledge of honor to Bonneville High School. We will keep the spirit flowing free to guide and rule, altogether now and always our goal will be the same. Fight to win a place for our school in the shining halls of fame.

SCHOOL CREED

As a student of Bonneville High School, I believe that the reputation of the school and my self respect as a member of the student body depends upon my attitude and behavior.

I shall attempt at all times:
To exhibit good manners, good speech, good sportsmanship, and friendliness towards all.

To strive for higher scholastic standing and to support school activities to the best of my ability.

To honor, respect and cooperate with my school, my teachers, my fellow students, and my community.

Therefore may the experience of my four years at Bonneville High School be always an inspiration for better citizenship.

Howdy old
Shaver bud!

Give really enjoyed you're keep

SONG

Join to fight and gain a victory. Let high school spirit rule. Keep your pep and help to win for Bonneville High School. All your troubles be forgotten we'll root for green and white cheering and singing altogether we are here to win this fight!

THE

1964-65 to most of us simply means we are another year older. But 1964 was a campaign year full of red-white-and-blue posters. Senator Barry Goldwater, a Republican, pitted his conservative views against President Lyndon Johnson and lost in a landslide vote. Goldwater carried only five states: his home Arizona, Louisiana, Mississippi, Alabama, and South Carolina.

The war in South Viet Nam became ever widening and involved a growing number of American men and machines.

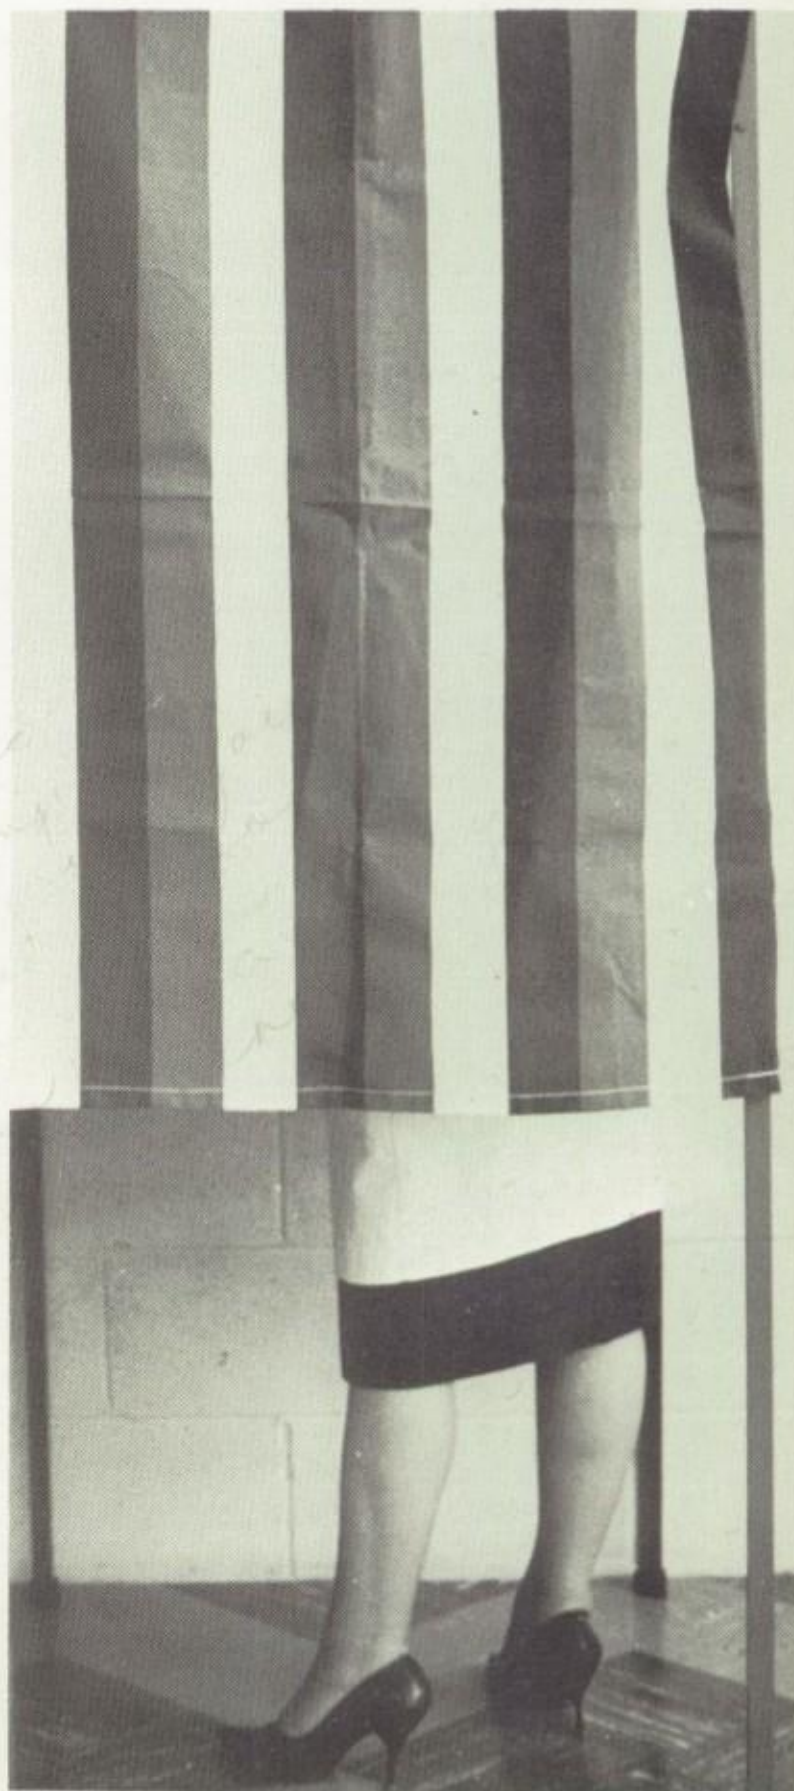

WORLD AROUND US

Khrushchev lost his power as head of the Moscow Regime in a bloodless coup. He was replaced by two heads of the Communist Party.

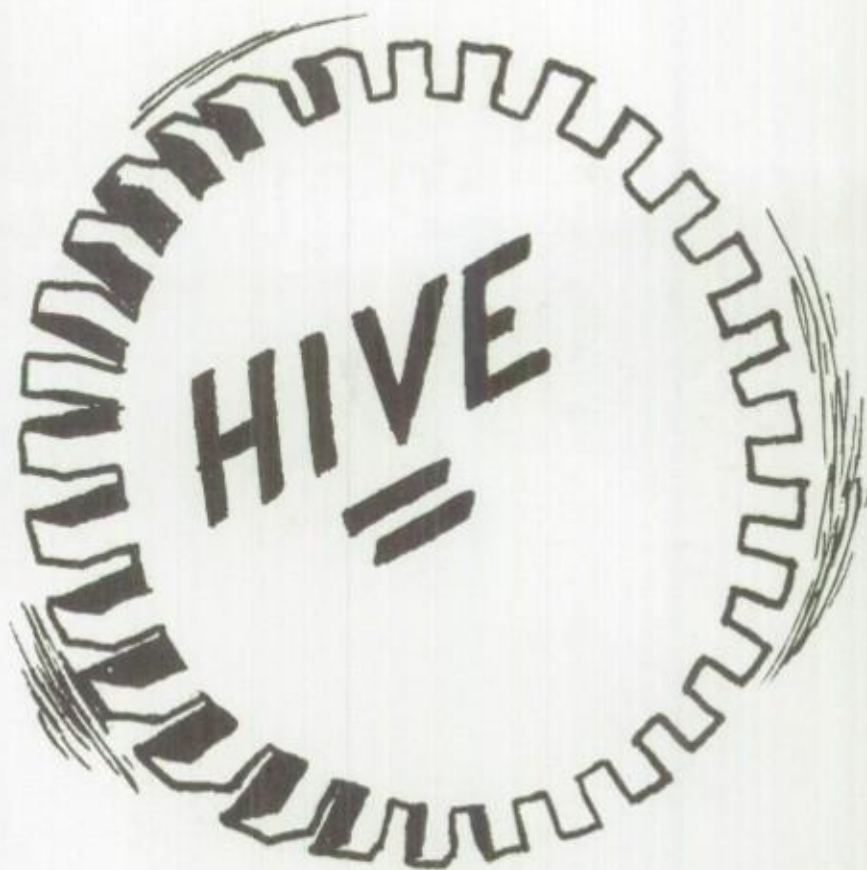

On the Idaho front, we saw George Hansen defeat Representative Ralph Harding for Congress. A Supreme Court order to reapportion his state legislature caused widespread debate and hard feelings.

A review of local and world events makes 1964-65 take on new meaning. This was a year of change --- a year of trouble ---- and a year of growth of the world and Bonneville.

ADMINIST

ATION

Amid the whirl of exam week and over the flutter of papers, teachers work to develop sound minds and bodies. They have dedicated their lives to the fulfillment of a promise. Through their diligent efforts we, students of Bonneville, somehow manage to absorb valuable lessons. We form the habits and conceive the ideas that will make our lives.

So we leave Bonneville and we are better for having been here...and our lives are more abundant for having associated with our faculty.

SUPERINTENDENT

CLASSES

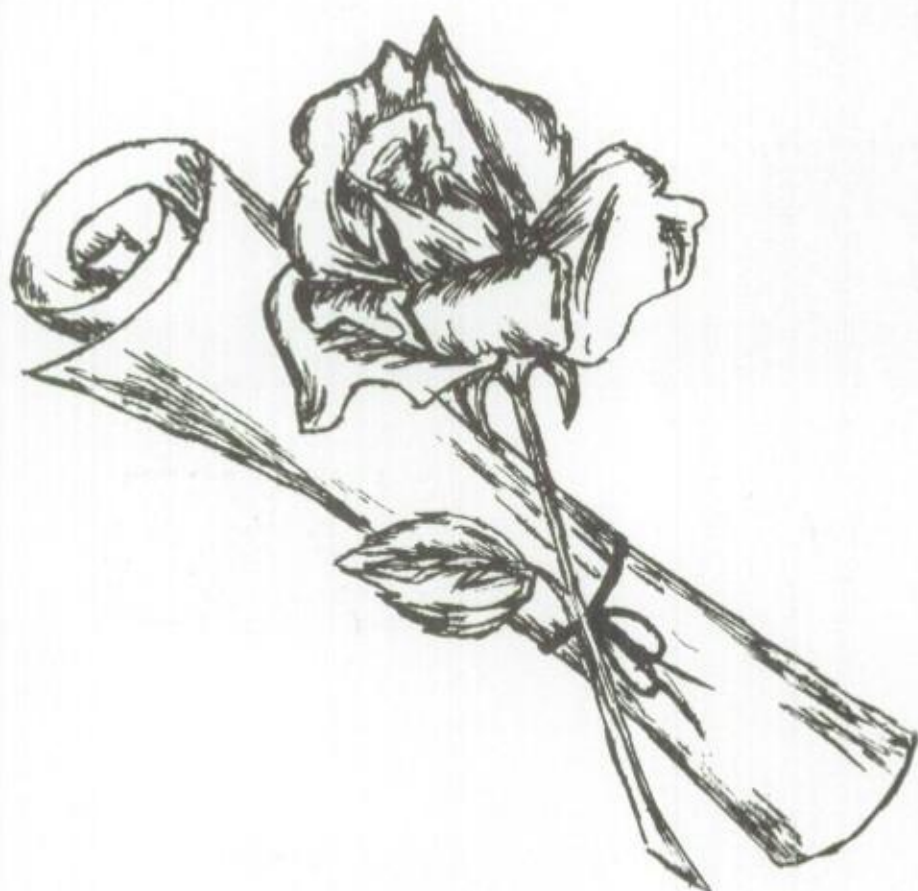

The classes at Bonneville High School rotate around the various activities of the year, taking each as it comes and regretting to see the end of it. These events include sports, dances, assemblies, Federation groups, scholastic events, and many others.

Seniors at Bonneville are in a whirl with the last year's events. The Senior Ball and graduation will be the most memorable in their last year at Bonneville.

The Juniors are busy with the Junior Prom, and all are excited over getting their class rings. At the end of the year, the election of new Student Body Officers will keep the Juniors busy and looking forward to their next year at Bonneville.

The Sophomores and Freshmen have their usual activities as underclassmen. They are looking forward to the day when they will be the leaders of Bonneville.

Every class and their advisors have had a busy year, and they hope the following year will bring as much enjoyment.

SENIORS

Graduation is just around the corner as the first signs of spring present themselves before the Seniors. We are caught in the whirl of proms, parties, athletic competition and rehearsals, intermixed with the everyday bounce of classes filled with lectures and exams.

Our minds are filled with dreams of the future, but still our hearts will ache as the time draws nearer for us to bid "Dear Old Bonneville" farewell.

"Through all the years with joy and tears, we have learned to love you, Dear Old Bonneville. Hopes held high, and Friendships proved true; are the memories we will take when we leave You..."

Dear Sherri,

Well, I have enjoyed your friendship. I do hope that we can become closer friends this summer. I do really love you like a sister. I hope that all you wish will come to you.

You are cute and have a winning personality. May you always stay as sweet as you are this day.

Love Always

Of all activities, the most memorable in the minds of the Juniors will be the dancing at the Junior Prom and the receiving of our class rings. We proudly wear these rings, which have made us feel a real part of Bonneville High.

From autumn to spring, we Juniors have been participating in all the extracurricular activities, football, basketball, clubs, plays, assemblies, and dances. Participation in these activities has helped to develop our scholarship, leadership, character, and service.

The year has whirled by too fast for most of us. We would like to relive the past year, but it is just not possible. We must look forward to the coming year when we will be receiving our diplomas and starting a life of our own.

Our Junior year has been one of the best years in our school life, and we will have fond memories of it always.

SOPHOMORES

Aside from the everyday activities of the Sophomores, such as: dissecting juicy morsels of grasshoppers, driving everyone in circles (Geometry); and speaking illiterate English, --their year is fun. They are a part of all school activities and functions.

Each advancing year in high school, students learn to work harder. Other than joking around though, the Sophomores are a group of good kids. Those guys and gals who were shy, awkward, kids in the ninth grade, are now students who carry the respect of the school.

FRESHMEN

FIND

B H S

VARIED

Onward to victory - - -

Have screwdriver - Will travel!

With beanies on their heads and toothbrushes in hand, the freshmen find themselves in the midst of high school activities. It is a world filled with high expectations, higher hopes and opportunities to learn and lead. Homecoming bonfires and pep skits are special events for the freshmen as is his annual record hop.

Mr. Scott's weather instruments are a never forgotten obstacle as he works his way through earth science. Algebra and P.E. also mark his day. Although the daily routine sometimes seems quite baffling, the majority finds the faculty devoted and understanding.

As the athletic season approaches, classes fade away in a maze of activity busses, touchdowns, and field goals.

Almost unnoticed, graduation arrives and each struggles to discover where the time has gone. Having gained a real sense of belonging, they set new goals and vow an undying loyalty to "Dear Old Bonneville."

The Science Club of Bonneville High School has one main purpose-to promote the interest of science to all.

This year's project of study was "Cancer in Connection With D.N.A." Speakers of authority on the subject spoke to the club members on several occasions. Information was collected through the American Cancer Association. Club members did research and experimented with live Cancer cells.

From our Science Club has come many winning Science Fair projects. We also hope that from our Science Club will come some of tomorrow's scientists.

SPORTS

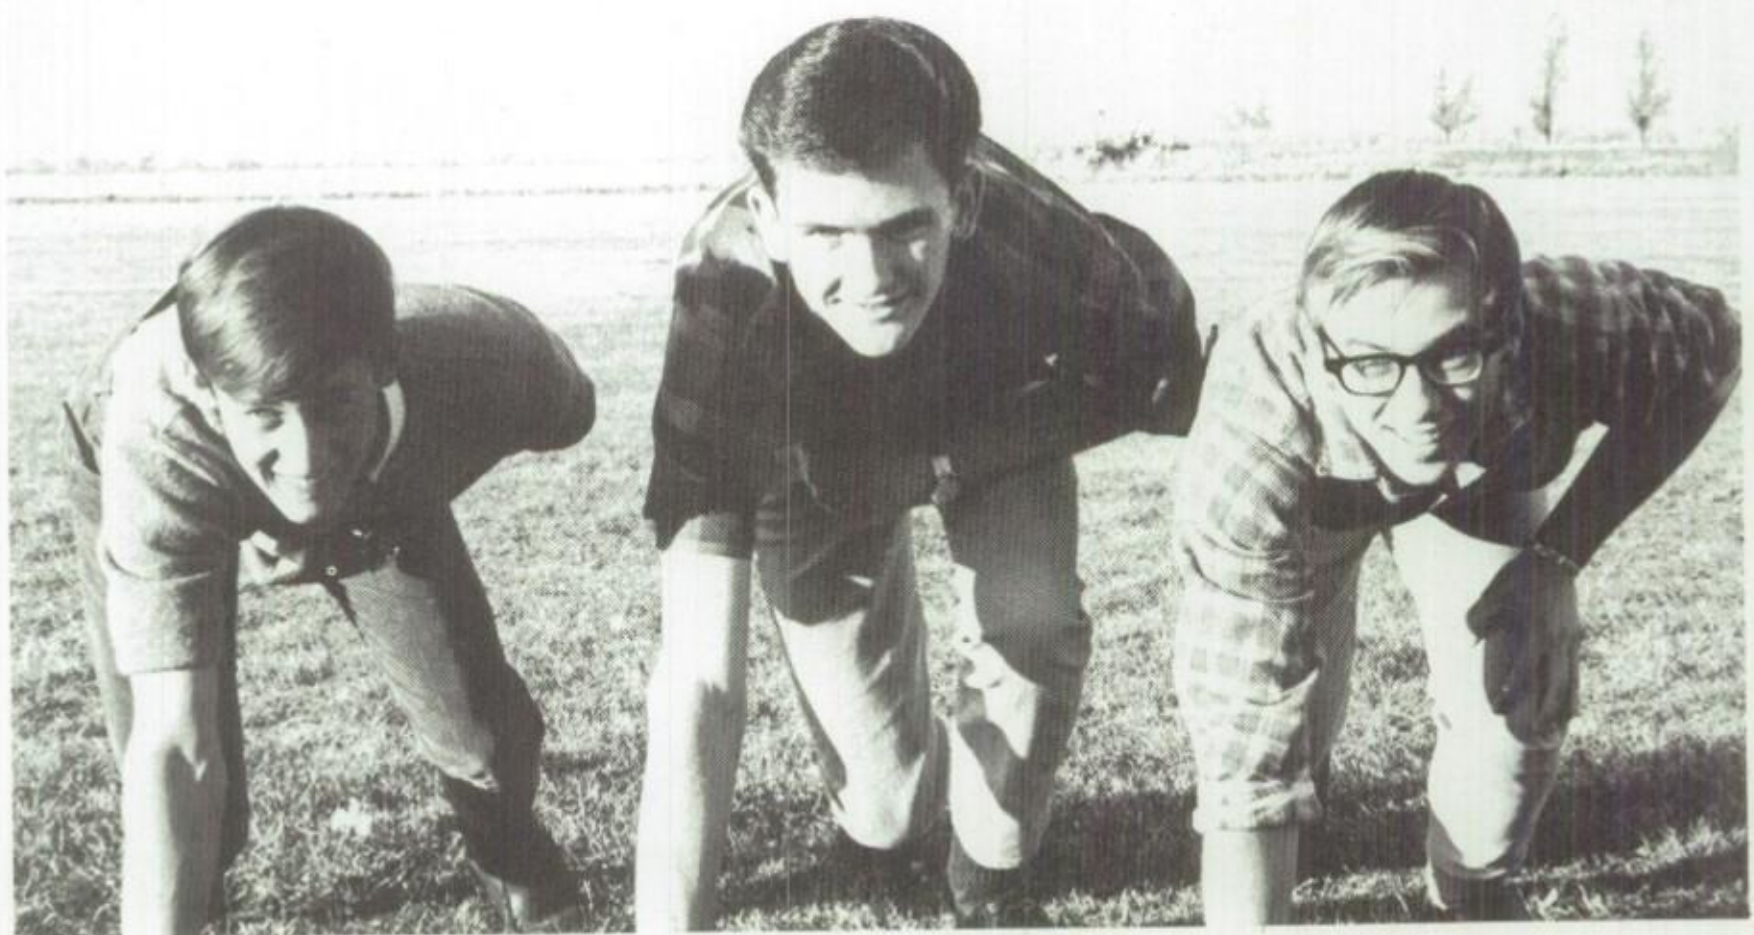

Although the Bees lacked experience this year, they ended up in third place in the conference. This was accounted for by the spirit of the boys, and the superior football coaching staff. At the end of the season they had five wins, and four losses with a total of a hundred and fifty-three points.

With the experience the boys gained this year, we surely can look forward to a fine season next year.

With attention riveted to the field, the bleachers offer a spectrum of moods.

During these past ten years, our football teams have come back with seven championships.

His hobbies, other than his coaching, consist of fishing, fly-tying, and skiing.

He is married and has four boys, ages 11 years, 10 years, 5 years, and 2 years of age.

The freshman team has had a very victorious year with no losses. This can be attributed to the fine coaching staff and the spirit of the boys. Our varsity can look forward to some real promising material in the years to come.

As Mike Jorgensen goes up with a shot you can see him through the eye of a special Nikon camera. Not noticed by the referees in the game, you can see two fouls being committed on Mike. The camera was ordered out of Hollywood, California. Special insurance was needed for it. The camera was operated by remote control. The film was automatically advanced. This idea became a reality through the efforts of Paul Jenkins, student photographer.

BEEES GET REVENGE

The Bees avenged their first loss January 6 with a 47-40 win over Snake River. The Panthers put up a good fight although the Bees led to the very end.

Steve Sims; Manager

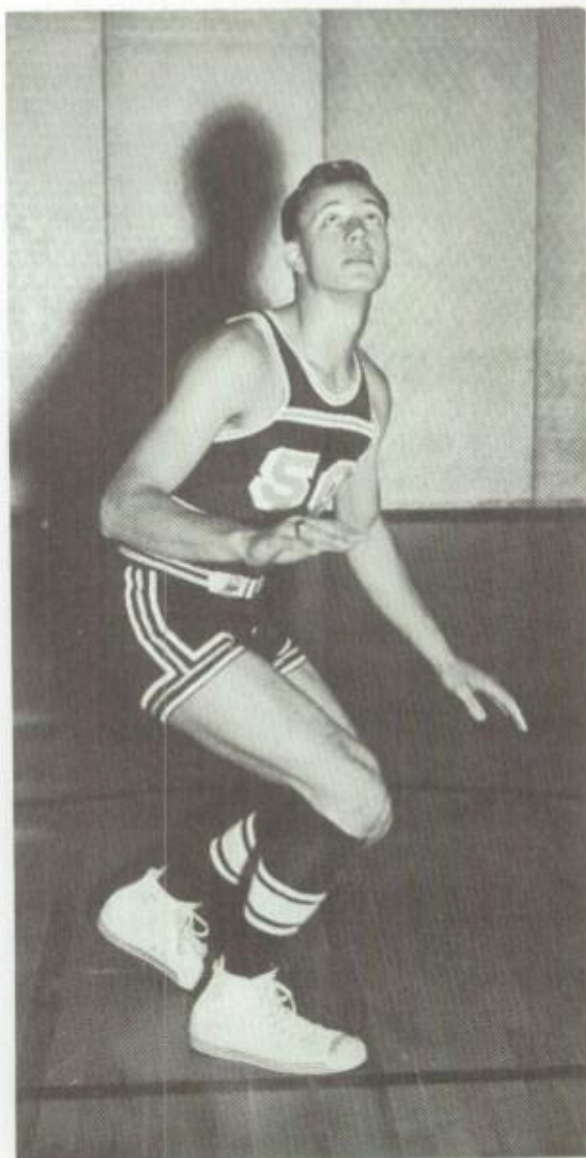

With only one from last year's main string, Mike Jorgensen, and only four with varsity experience, the Bees started their new season. The Bees moved up to the Eastern Idaho Conference. With the help of coach Roberts the Bees come out third.

BEEES TROMP BOBCATS

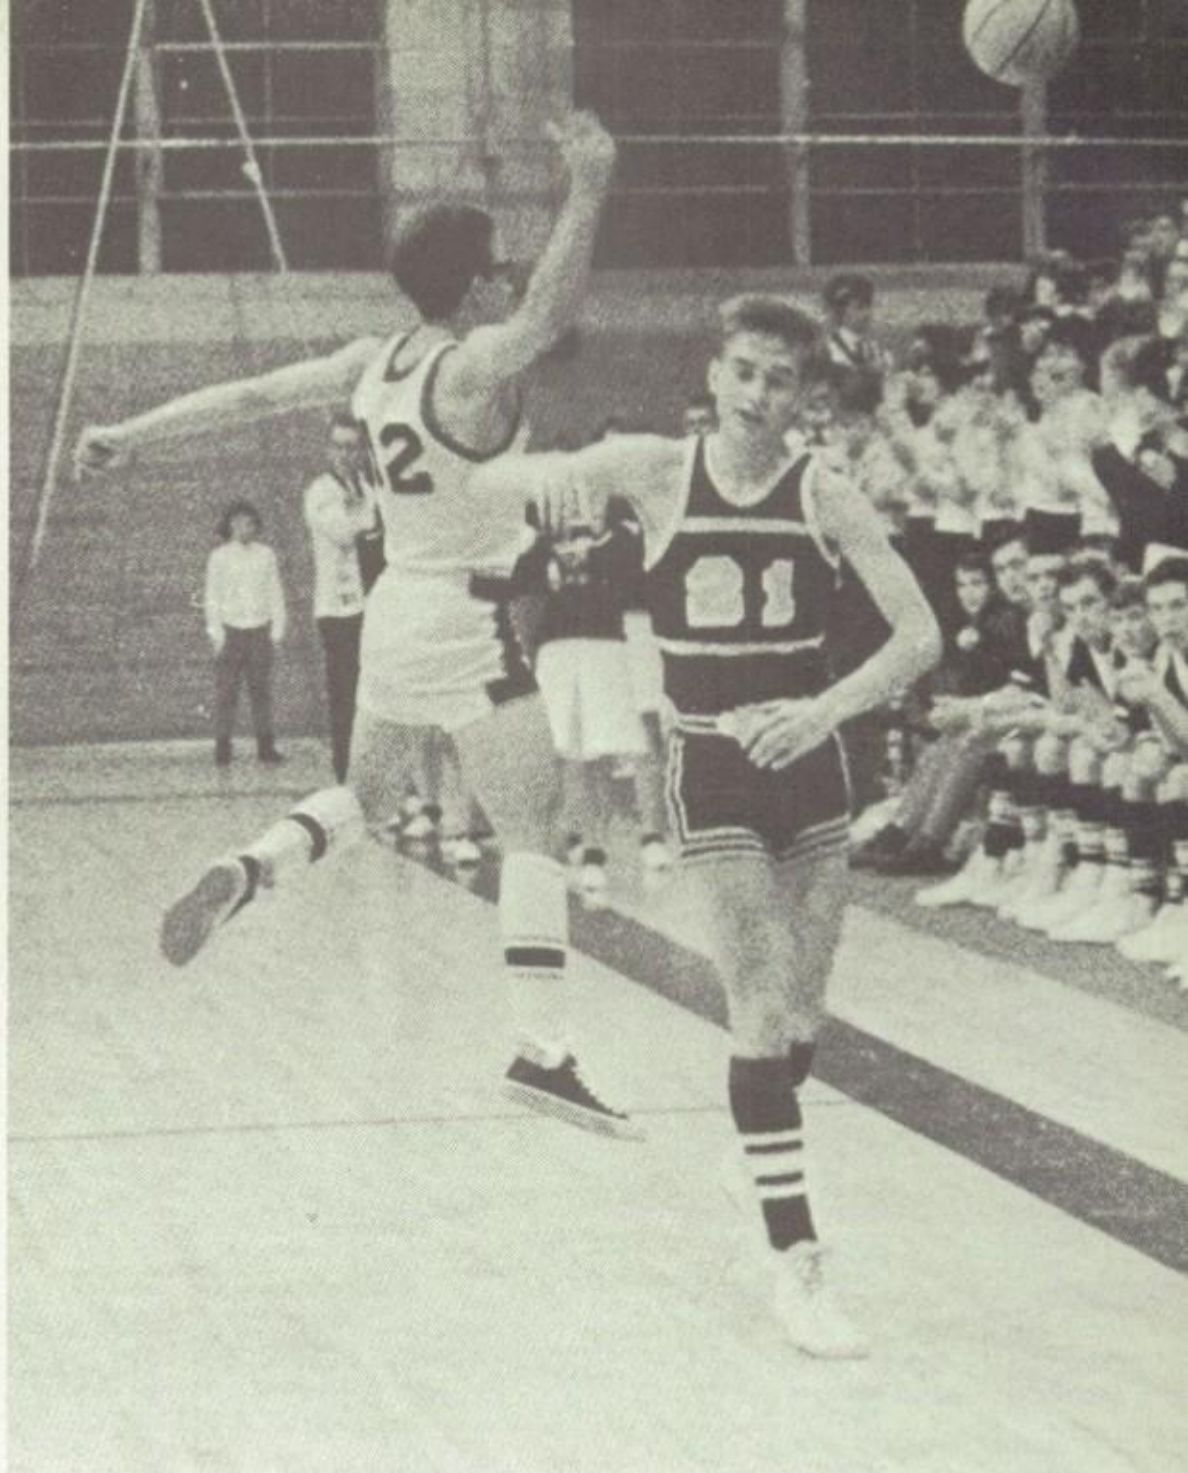

Mike Jorgensen was the leading scorer in the EIC conference this year. With an average of 18.8 for the league games, and a seasonal record of 17.4. Darwin Smith of Idaho Falls was second.

The Burley Bobcats went down fighting, as Mike Jorgensen scored 26 points. The Bobcats launched their full efforts to stop great offensive scoring Bonneville team, but simply couldn't do it. The final score was 56-39.

Although the Bees led the scoring all through the game, the Madison Bobcats came back in the last two seconds and put in the final shot to win the game. Ron Ellis and Mike Jorgensen set up some of our better plays. The Bees had as much as an eight point lead at one time.

The final score was 45-43 Madison.

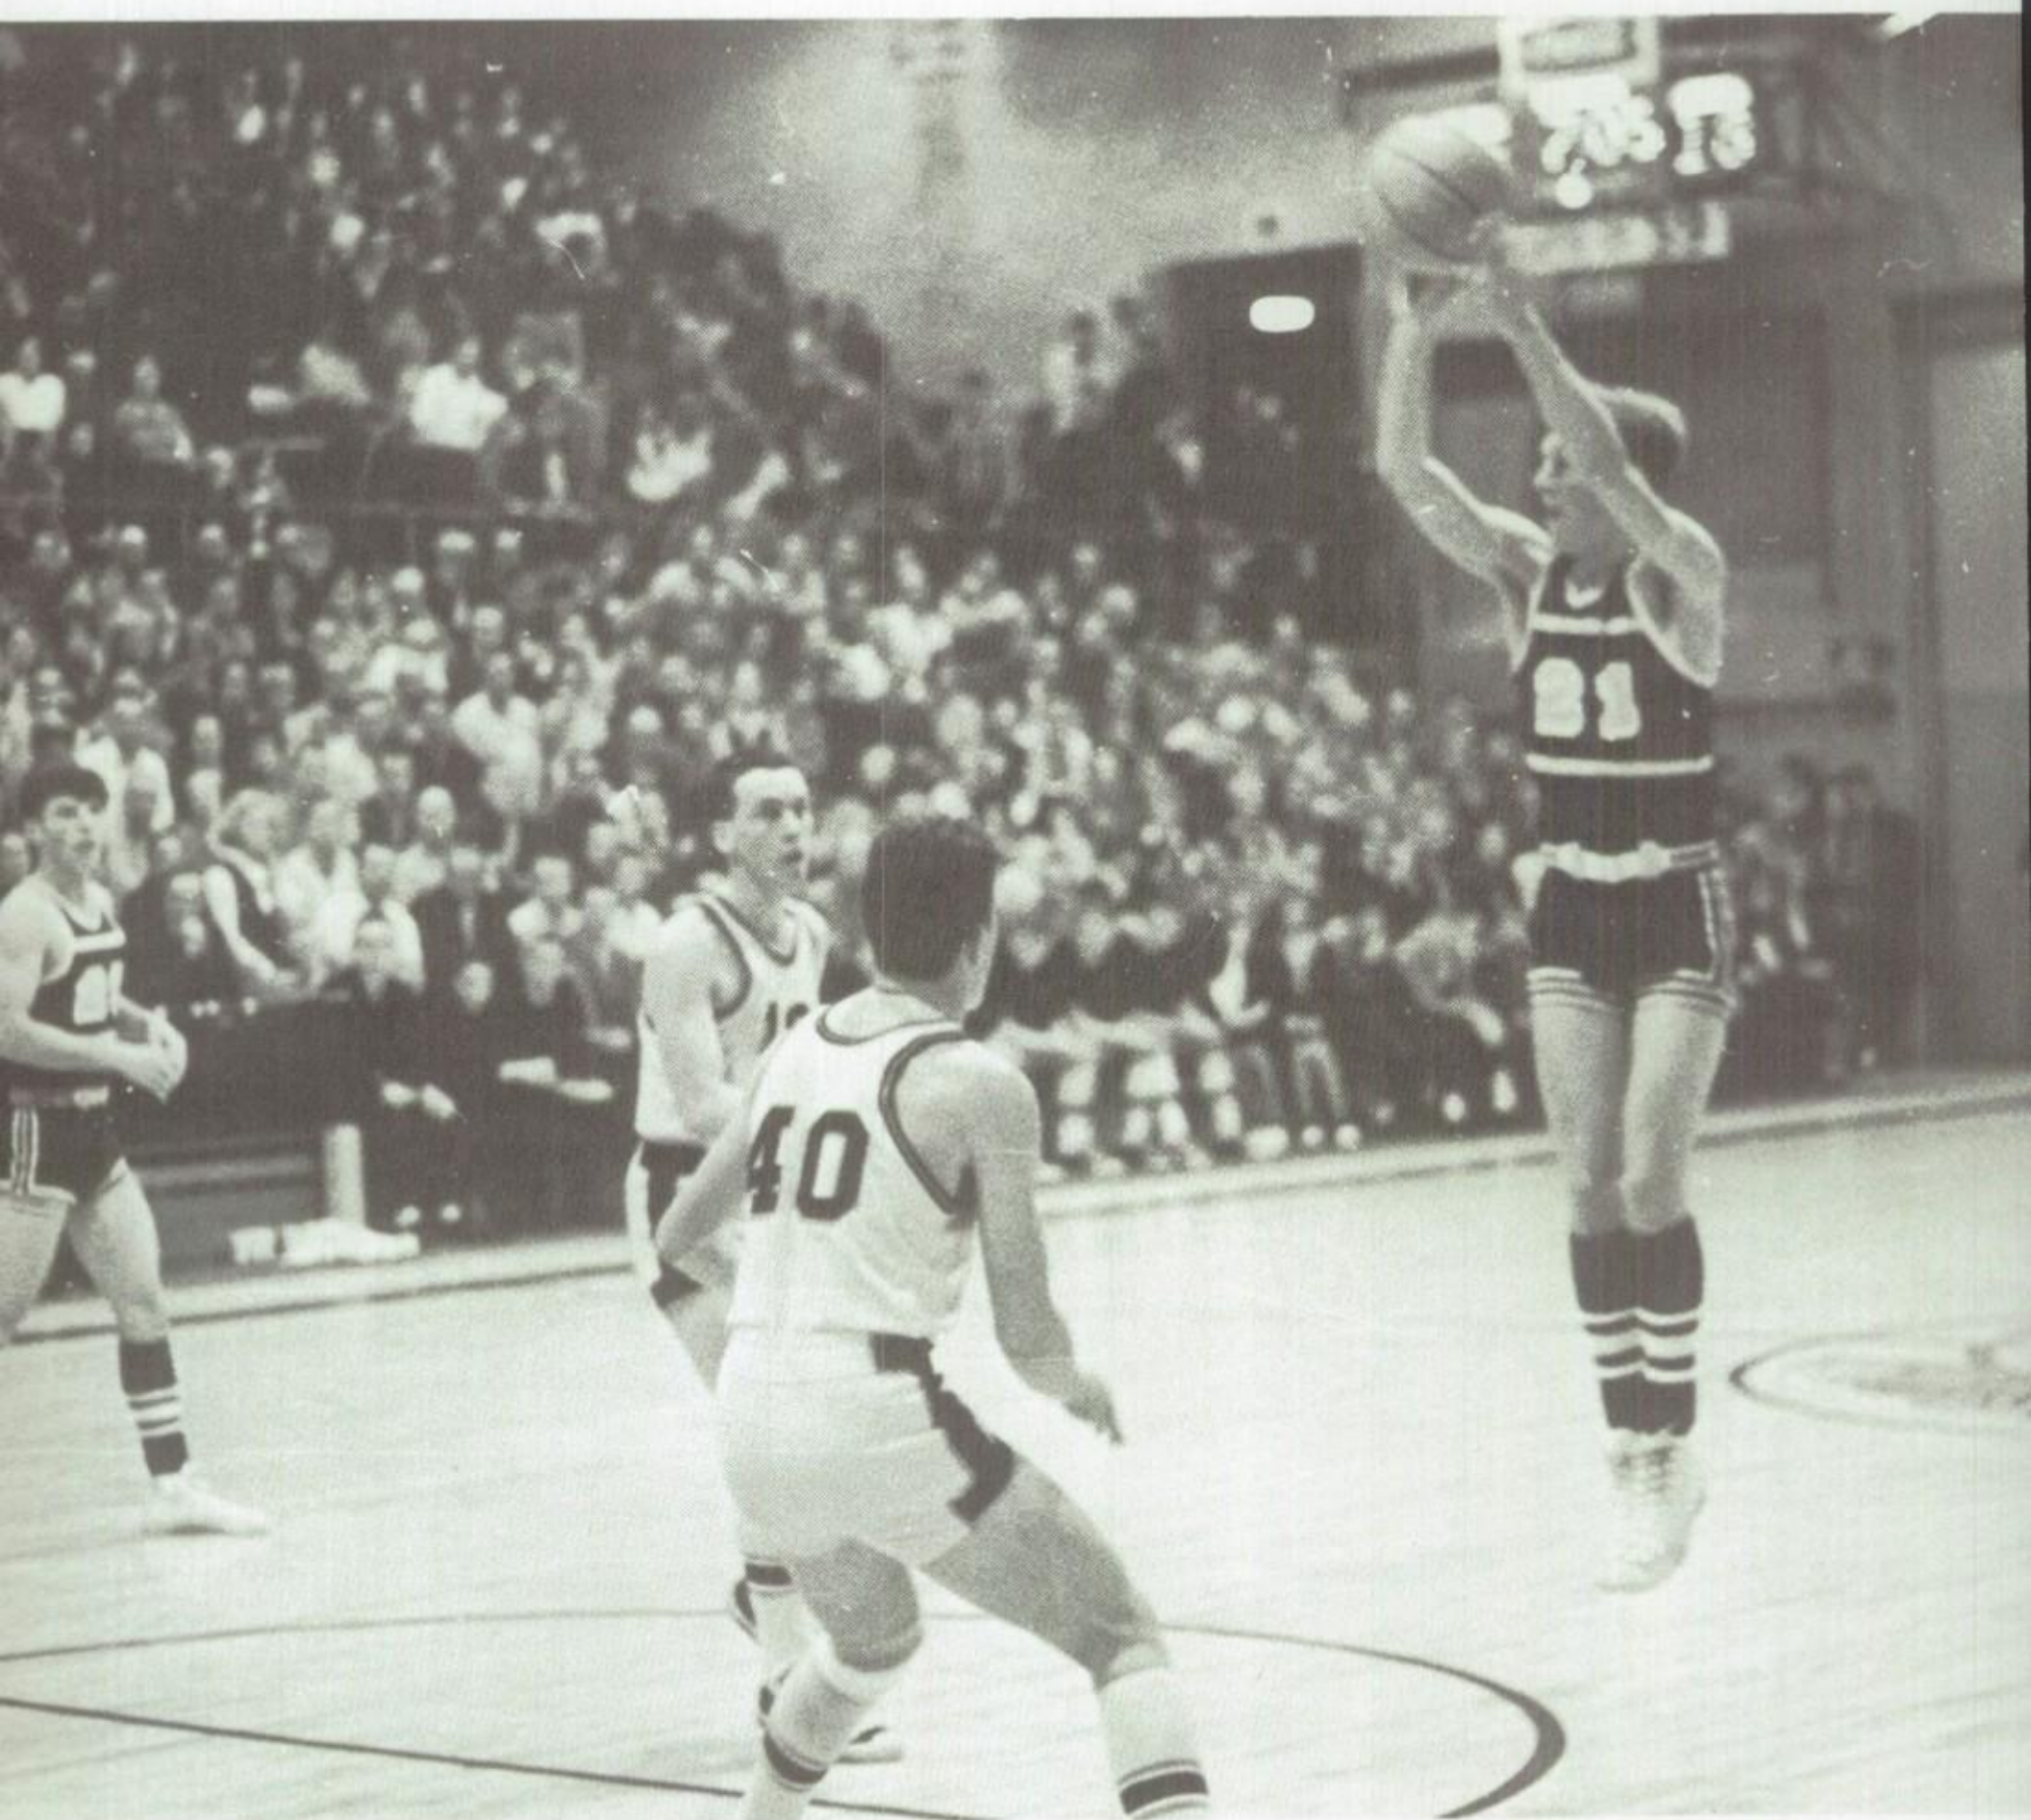

Doug James, 21, goes after a loose ball.

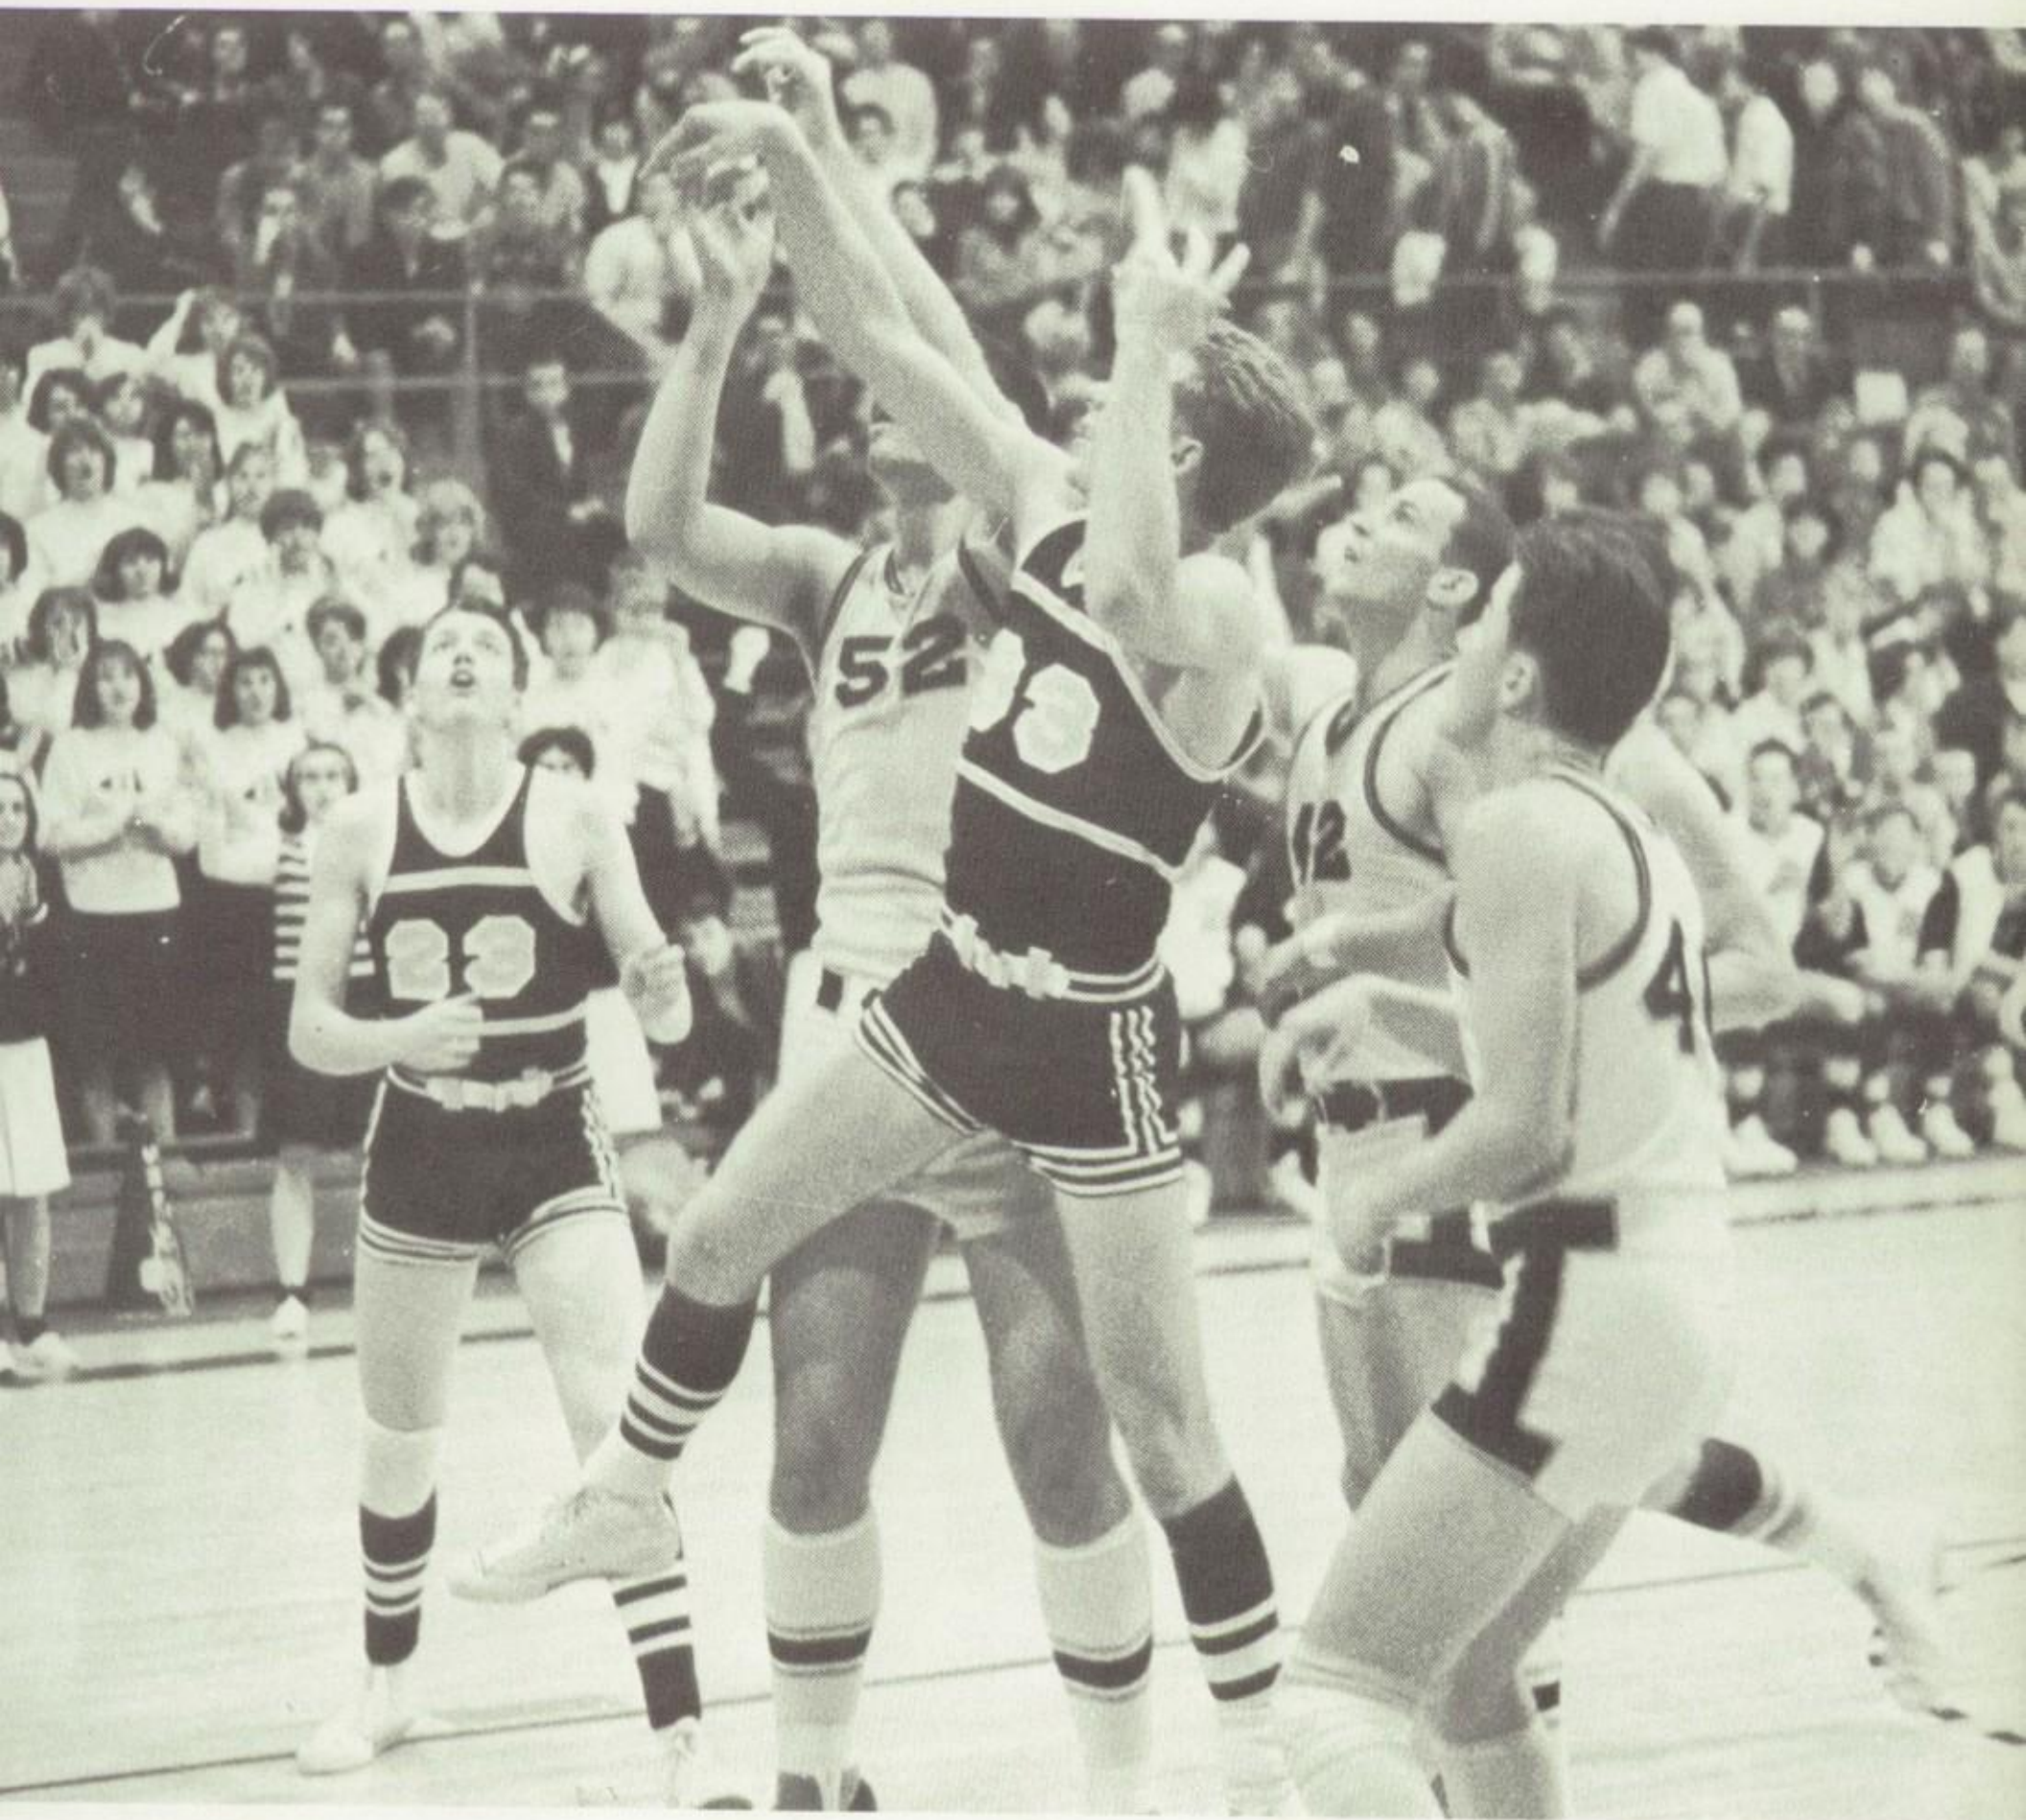

BEES LOSE TO POCATELLO

Although the Pocatello Indians led all the ways in the game Friday, January 22, they almost lost to the Bonneville Bees in the final quarter. The game was played at Pocatello and the final score was 49-46. The Bees came on strong in the final quarter but it was too late. Doug James put the Bees within one point of the Indians with three seconds to go. The score was 47-46 when Mooney, of the Poky Indians, was fouled at the buzzer and sank two charity shots for the last two points.

BEEES TRAP BOBCATS

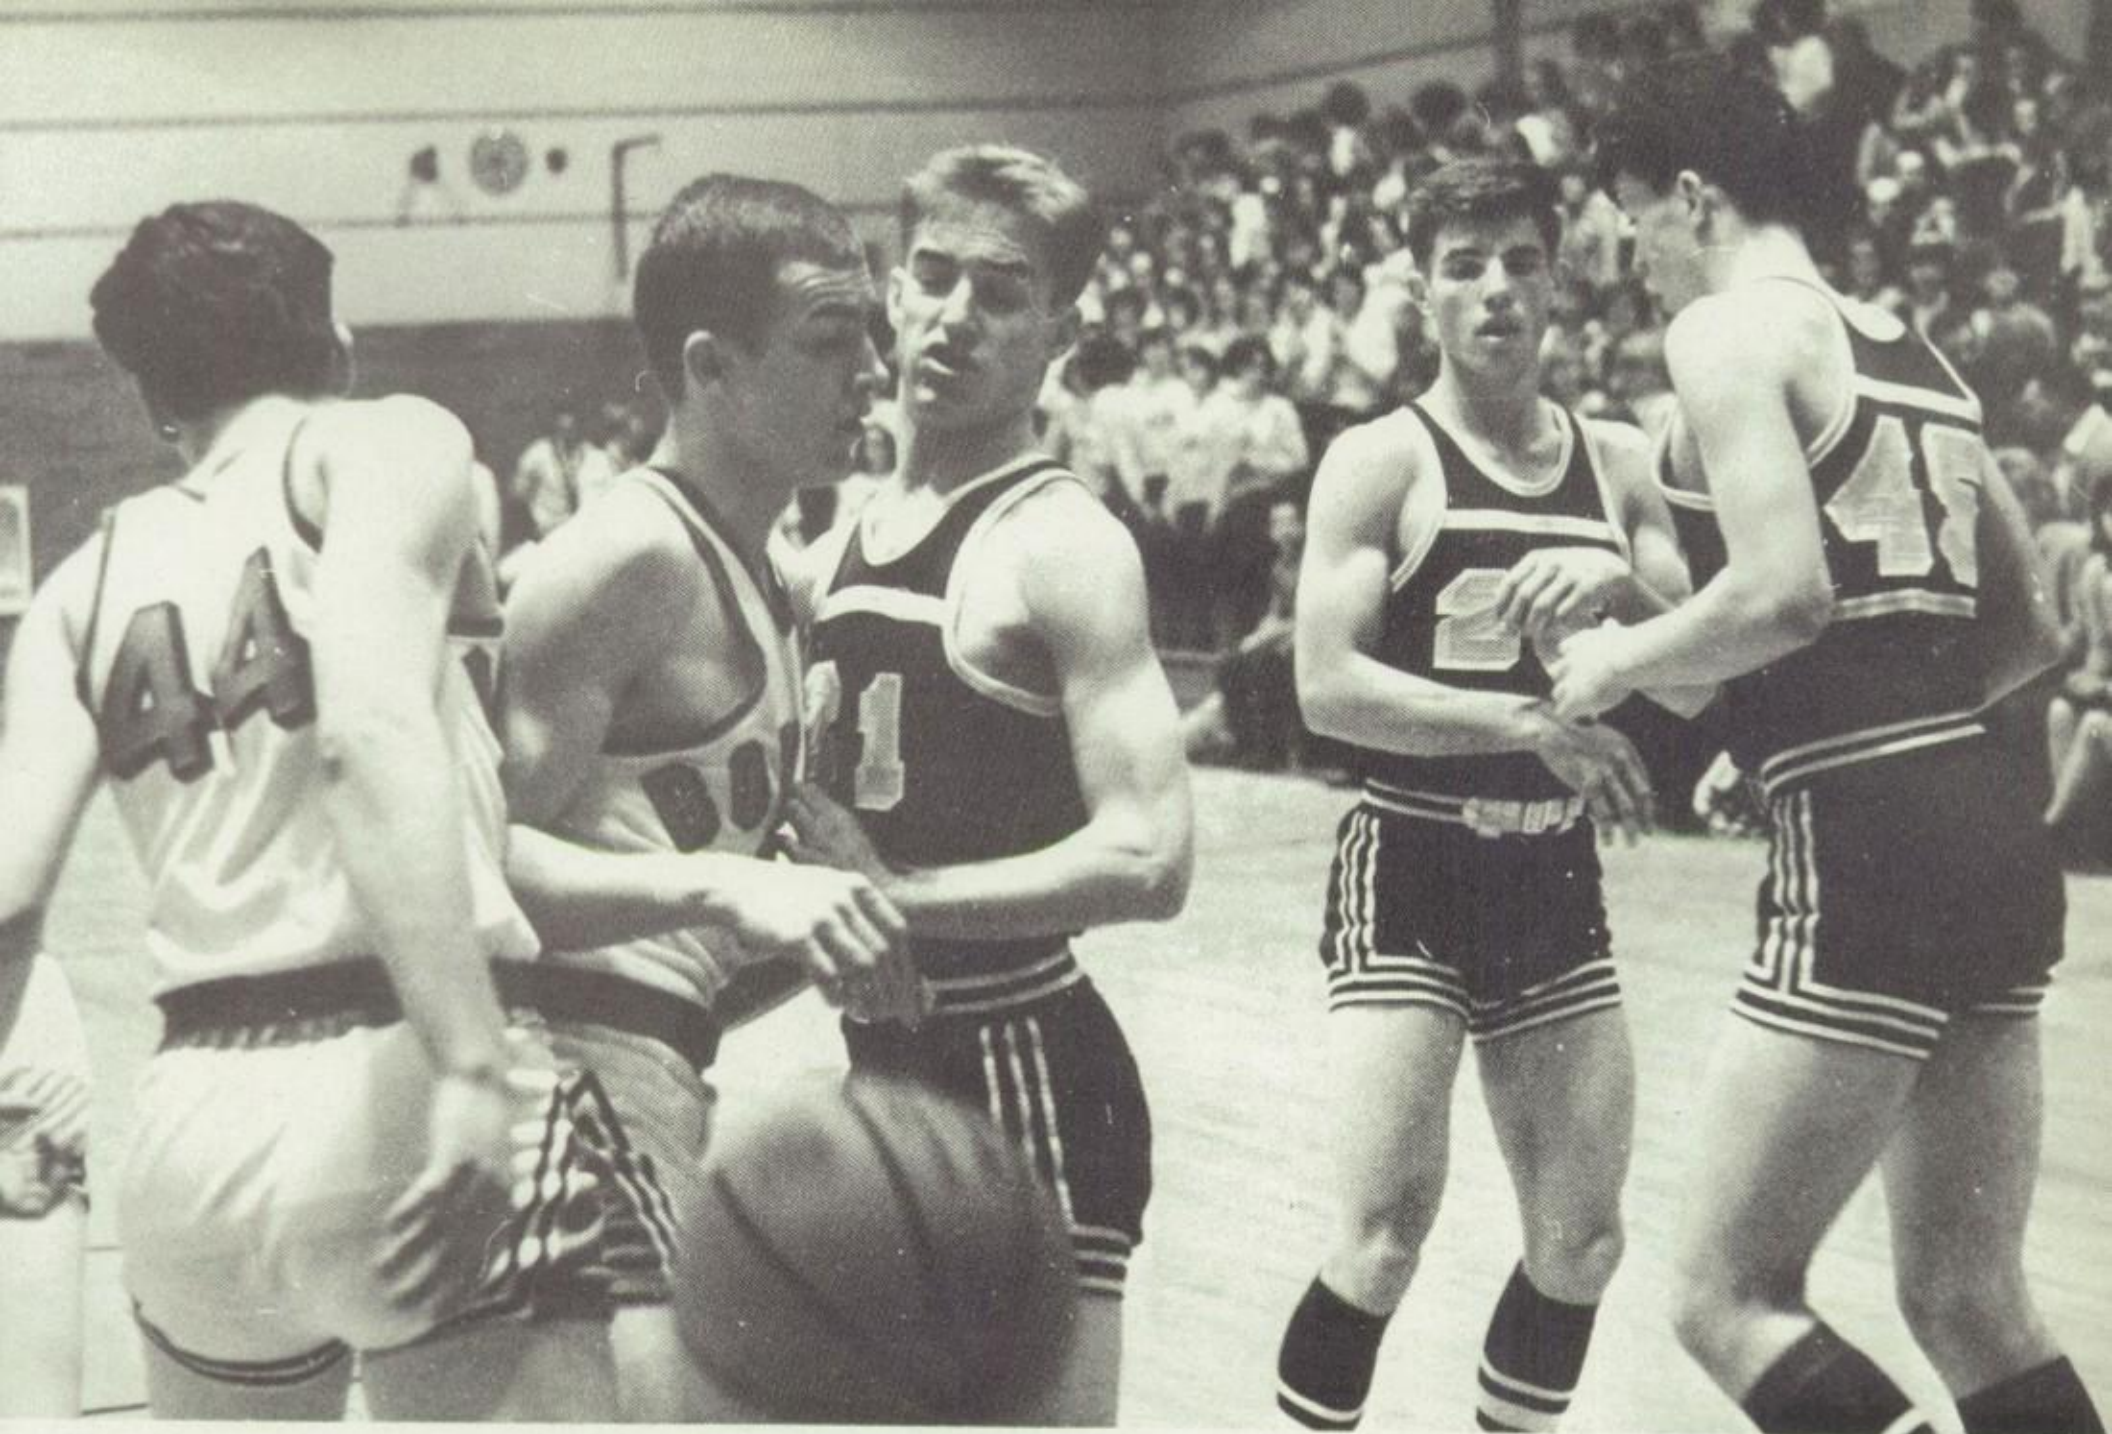

The Bees won an easy 69-45 victory over the Burley Bobcats January 8. The game was played on Bonneville's own court. The Bees led throughout the whole game. Burley just couldn't stop the shooting of Mike Jorgensen. The Bonneville defense held down Jones, from Burley, the scorer in the top ten in the Eastern Idaho conference.

BEEES BEAT TROJANS

Our great spirit of victory was shown in a hair-raising game with the Rigby, Trojans. The Trojans led throughout the entire game until the last 5 minutes when the Bees were 1 point behind, then Doug James went in for a lay-up and was fouled. Then James put both foul shots in to win the game. The high scorer of both teams was Mike Jorgensen with 21 points. The final score was 54-53, Bonneville.

The Bees press the opposing team trying to get the ball.

ACTIVITIES

Words seem inadequate when trying to express the solemn gratitude of my heart and the sincere appreciation I owe to Bonneville High School for the wonderful part it has played in my life.

My dearest thanks to each one of the students, faculty members, and to the administration for their cooperation and support. A special word of appreciation to Kent and the Student Body Officers for their faithful and unselfish work, and to our wonderful advisors, Mr. Stanley Boyle and Mr. Tom Andrus, whose kind understanding was invaluable, I will always be indebted; it has been a wholesome opportunity to associate with each of you.

To my graduating friends I extend my best wishes for your future success. To the remaining students, I leave a fond hope that you may treasure your years at Bonneville High, that they may be encouraging and memorable experiences.

May God be with each of you always.

Sincerely,

Alenton Hatch

The sets were splendid. The rate and pace of the performance were perfect. The message and point of the play were clear immediately to the audience. Without exception the actors really deserve a great big round of applause. I'll go so far to say that your "GREEN PASTURES" was the best high school production I have seen.

H.M.S. PINAFORE

The chorus lended mood to the production

Here we see Marvin Stucki as he portrays his part

The music department under the direction of Mr. Don Watts presented the classical opera HMS Pinafore in mid-February.

Several of the area junior high schools were invited to matinee of Tuesday, Wednesday and Thursday.

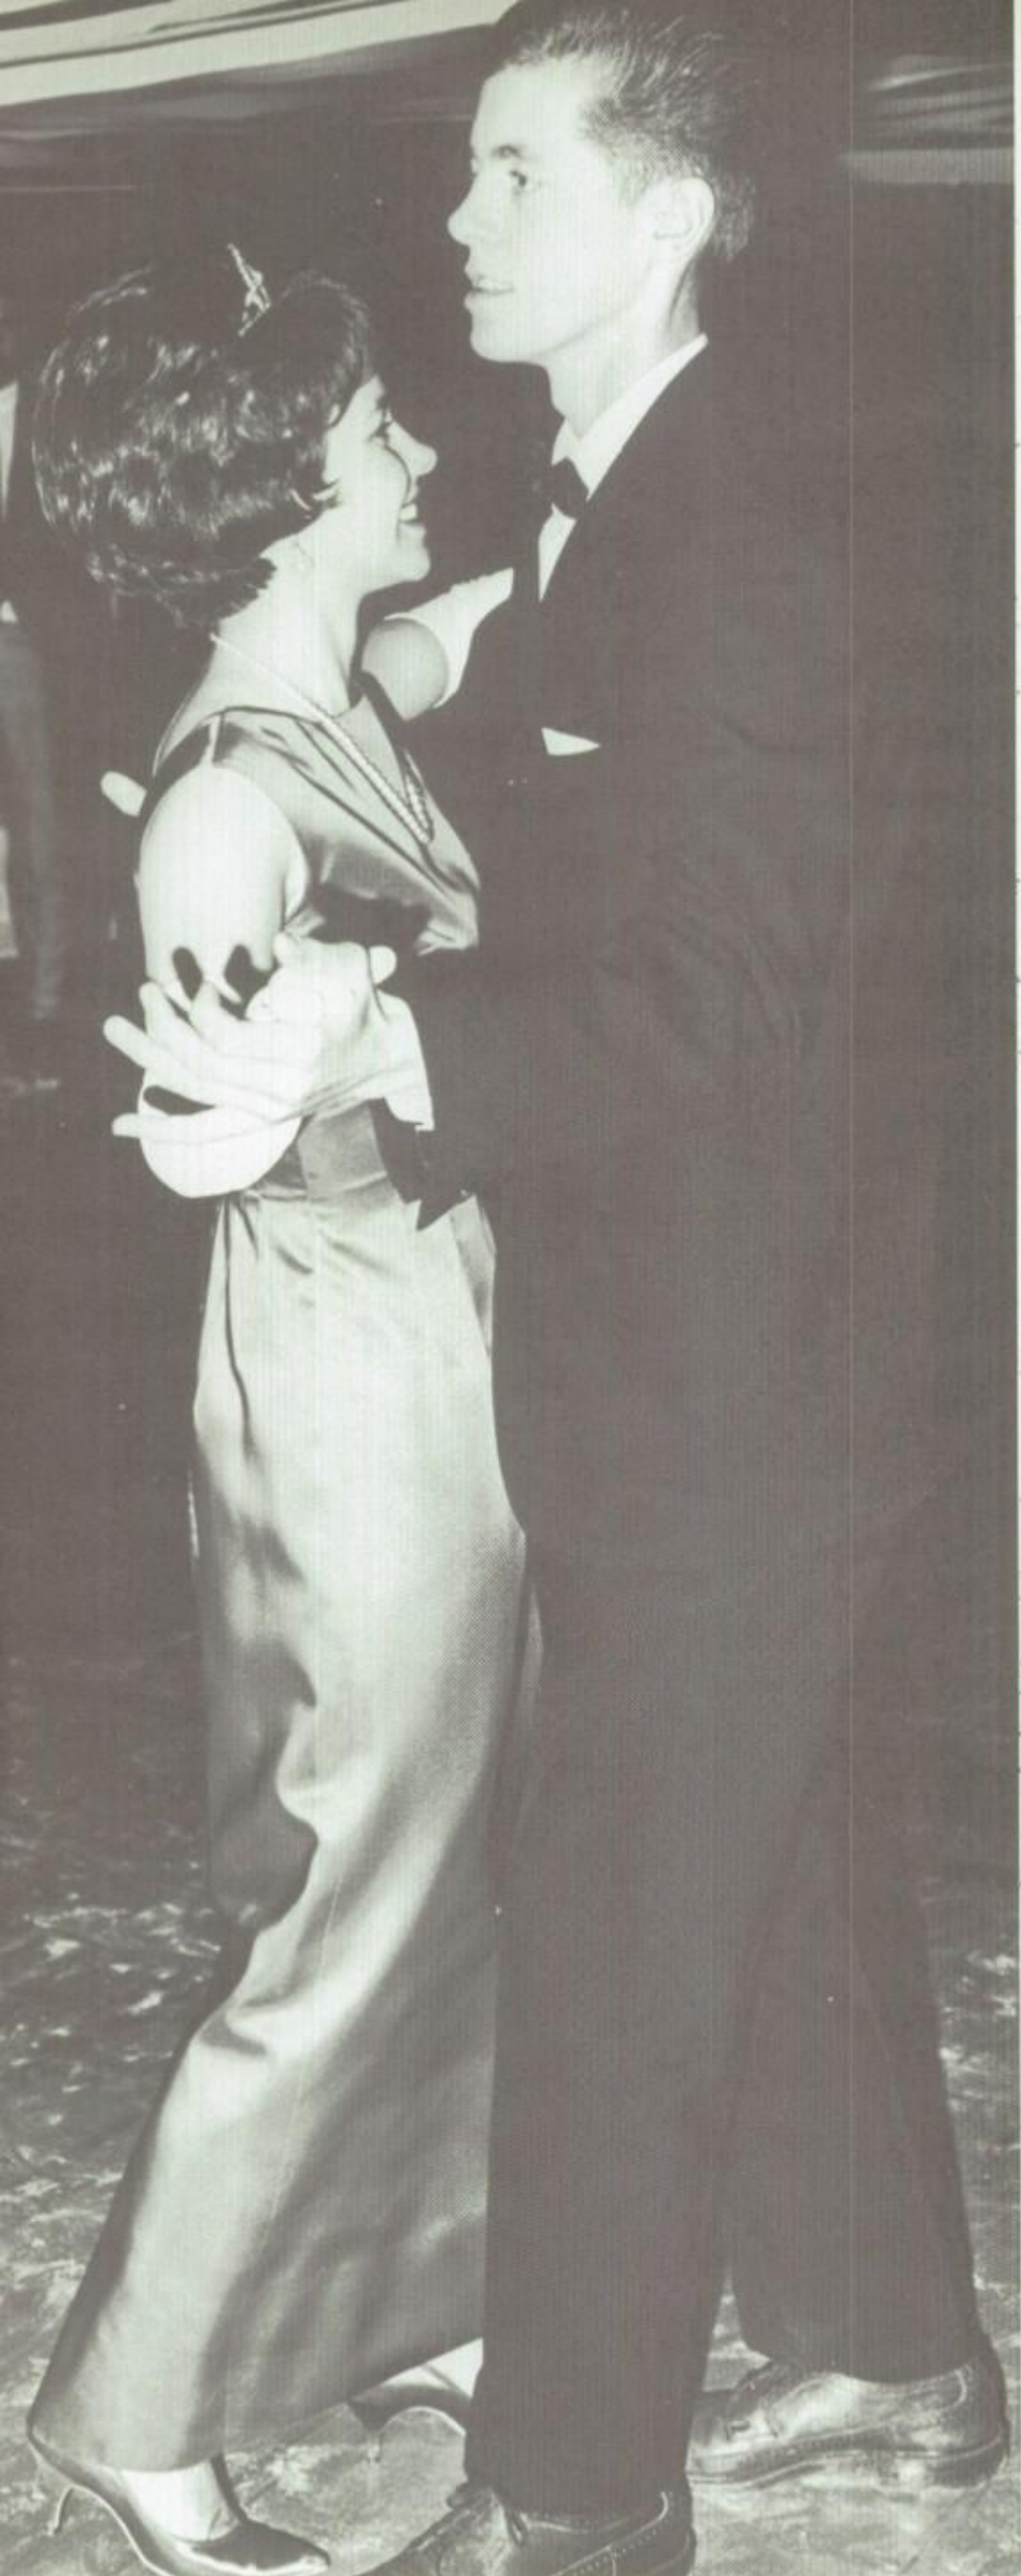

HOMEcoming

Seniors and freshmen work diligently to make their woodpile the highest and have got a good start. Both piles reached great heights in hopes to make Homecoming a success. The greatest school spirit ever shown was reflected in the building of a new woodpile. Bonneville was truly a hive of activity of making our 1964 Homecoming a great success.

Wednesday twelve; midnight; calm, peaceful, guard duty call---all is well. Thursday 6:00 a.m. FIRE!!!

The seniors and freshmen challenged the sophomores and juniors to build a bigger bonfire.

Two great piles lay in readiness Wednesday night. Kent Nelson headed a group of boys charged with the task of their protection. All night they continued their vigil but were unable to stop the gas bomb hoodlums hurled at the piles about 6 a.m. Thursday.

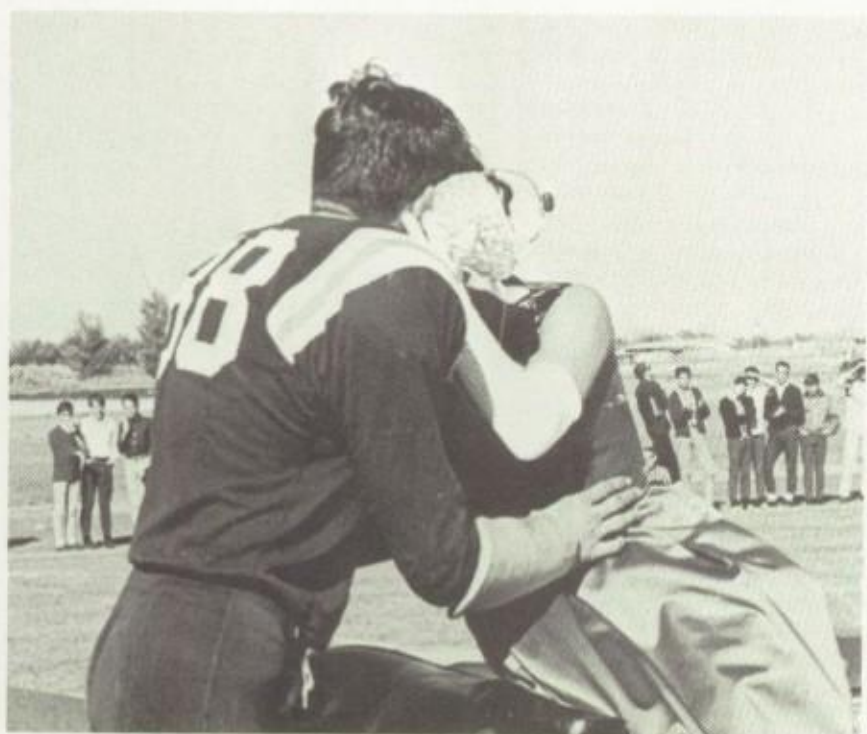

A dejected student body finally caught the spirit. At 3 o'clock that afternoon twenty-one trucks were lined up to be unloaded. The combined efforts of all classes saved homecoming. The traditional bonfire lit the sky following the pep skits and pep rally Thursday night.

Friday afternoon at the half-time of our Blackfoot verses Bonneville game, Cliffie Villella, Ann Rockwood, Kriss Thompson and Janice Mason entered the field in two convertibles. Steve Bingham kissed and crowned Cliffie "Homecoming Queen for 1964."

The Bees won their game 20-12.

Captains Ron Ellis and Steve Bingham congratulate Queen Cliffie Villella as Ann Rockwood looks on.

Ron kisses Cliffie as part of the traditional Homecoming ceremony.

Van Cooper hands Ag Queen, Brenda Brizzee the traditional trophy. She was crowned during the dance and reigned from a throne decorated with blue and gold.

AG BALL

The Future Farmers of America hosted their annual Ag Ball amid the harvest activities of November.

Candidates Kriss Thompson, JoAn Smith, Lynn Bell and Brenda Brizzee competed for student body votes. Brenda Brizzee was crowned during intermission of the dance.

Brenda and Van dance following intermission.

Lane Bateman posed as the preacher in a mock wedding to the Sadie Hawkin's Dance.

SADIE HAWKIN'S

The Thespians sponsored their annual Sadie Hawkins, girl's choice, dance November 23. Mr. Lane Bateman, drama director, served as preacher for a mock "wed you 'til midnight" ceremony. Candidates for Lil' Abner and Daisy Mae were Leslie Garner, Mickey Cleverly, Beverly Cook, Scott Brizzee, Sandra Nielson, Don Andrus, Launa Newman and John Smith. Launa Newman and Scott Brizzee reigned.

The sophomores cleverly decorated a portion of the gym. They danced to stereo music. All in attendance had a wonderful time.

CHRISTMAS

ASSEMBLY

The Christmas assembly sponsored by Girls Federation was presented to the Bonneville High School girls. A variety of presentations stressed the sights, sounds, moods, and meanings of the Holiday Season. Several numbers were presented by the Bonnevaires, and a group of grade school children performed a variety of dances. A number of selections by Karen Otteson, Miss Idaho Falls, highlighted the program.

"And it came to pass..." So ran the story of Christmas as read from Luke by Chuck McCoy. Choral accompaniment was furnished by a group of junior girls.

The Art Club pasted picture mosaics on the upstairs windows during the Holidays.

CAMERA MAN CATCHES UNIQUE SHOTS

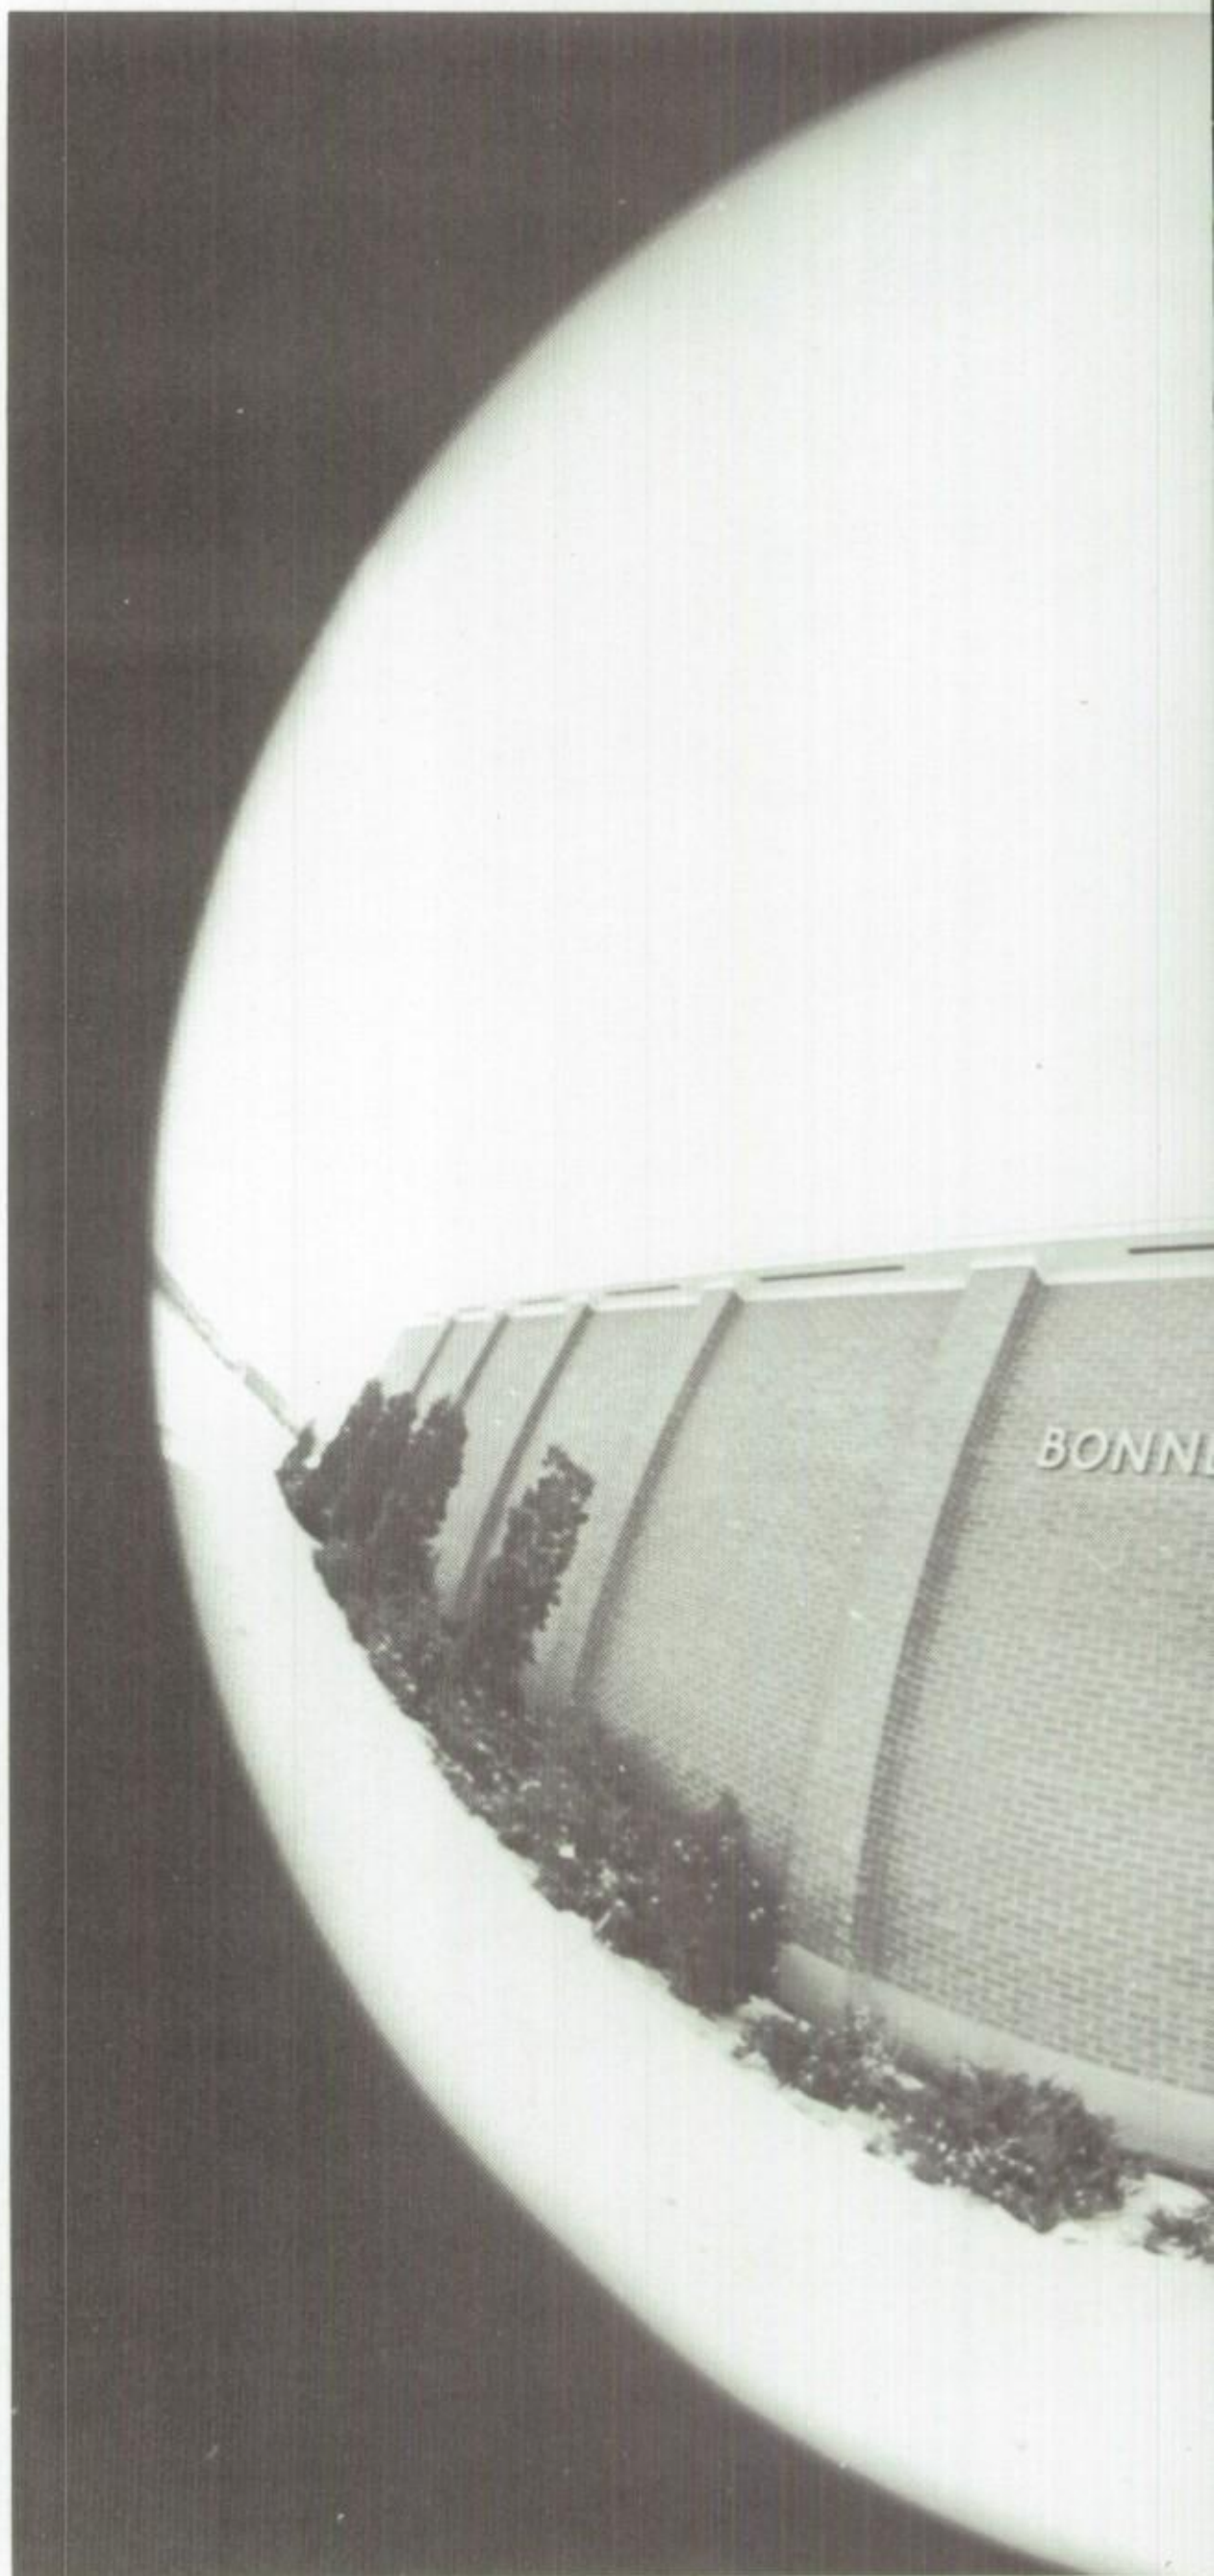

Student photographer, Paul Jenkins mounted a special fully automated Nikon Camera above the basket during the Bonneville verses Madison basketball game March 12, 1965. Paul controlled the shutter with a wire draped across the framework and down the wall. Pictures such as the one on the next page and the ones seen in sports section resulted.

Special Insurance had to be arranged.

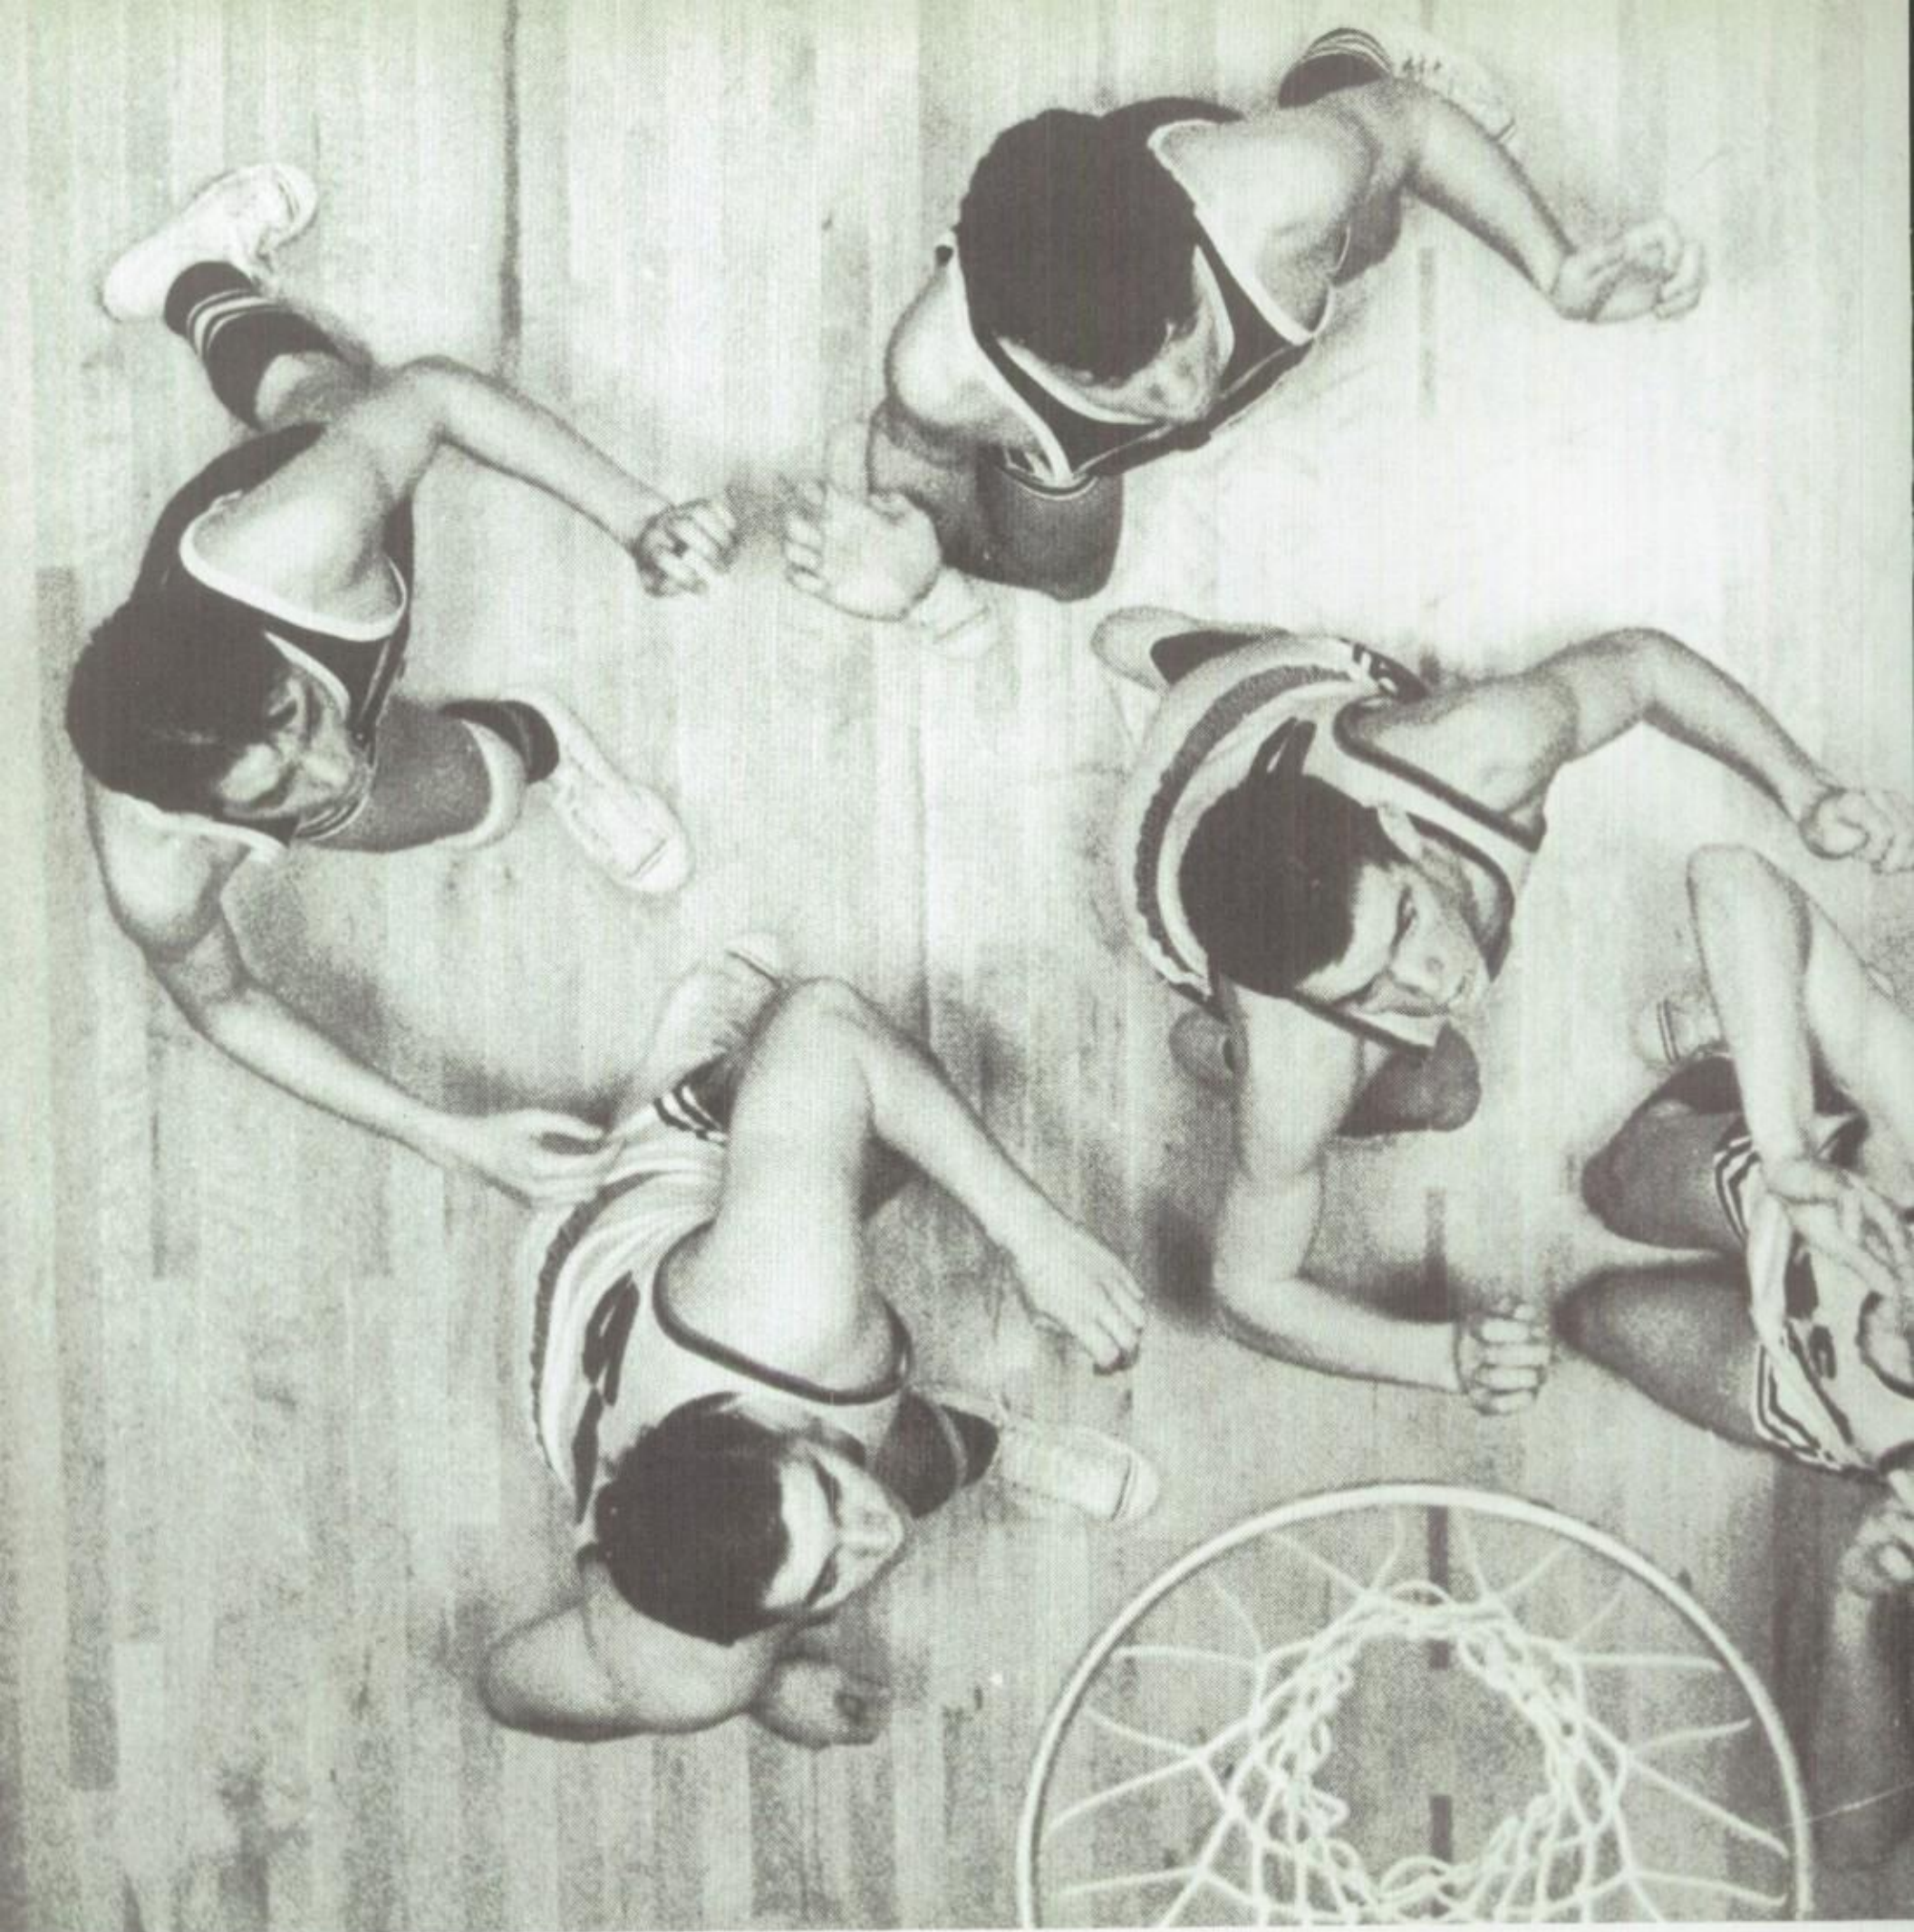

The Sweetheart Ball, the night of Saturday, March 13, was covered with a fish-eye lense mounted on this camera. The picture shown here was taken with that same lense. It is one of a dozen such lenses.

The equipment was rented by the annual staff from a company in Hollywood, California.

The project had been Paul's long-time dream.

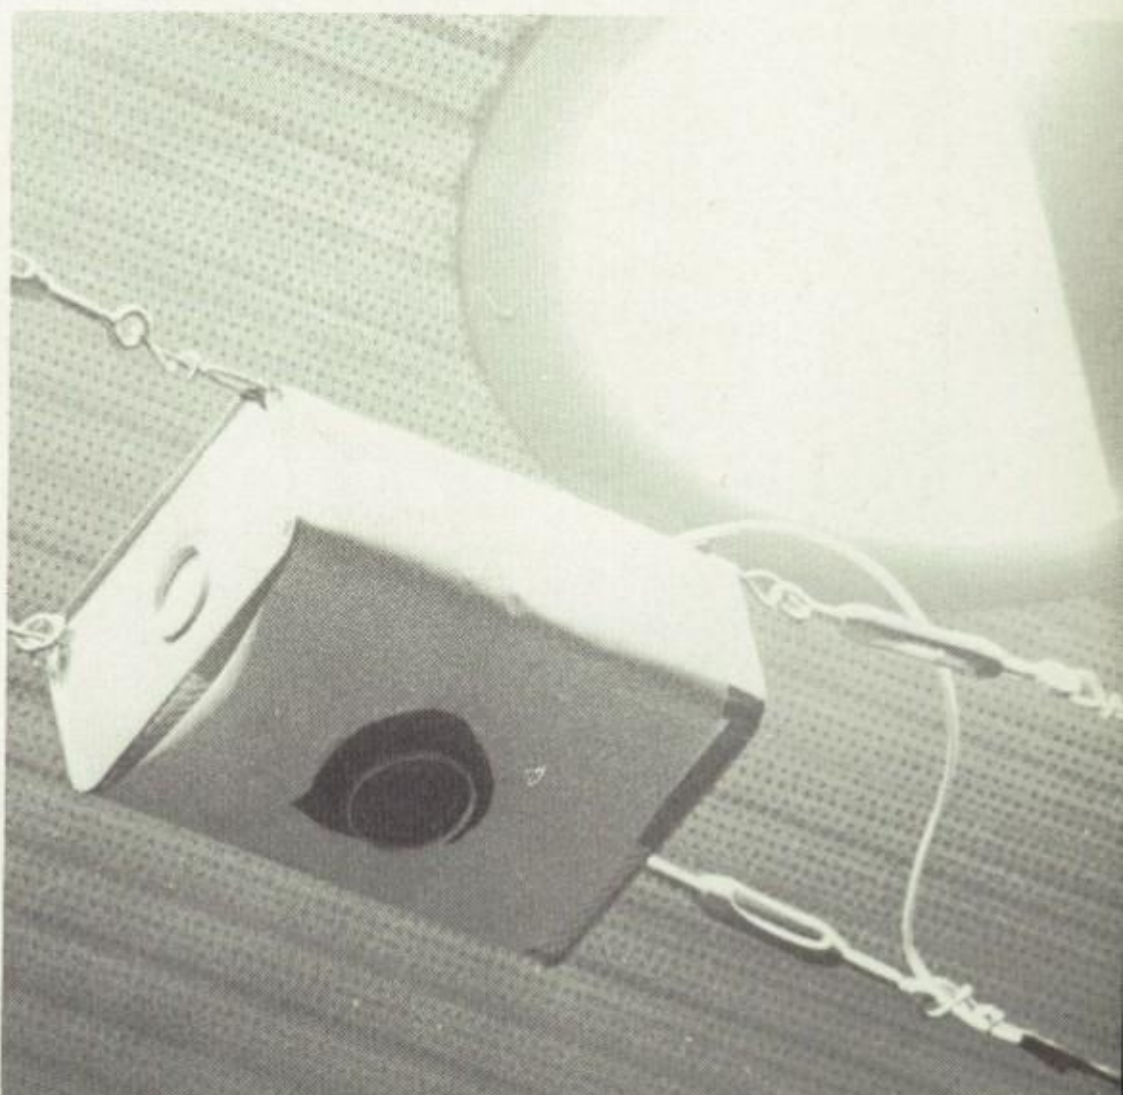

This is a bird's eye view of the action from the camera's perch.

BOYHOOD DREAM FULFILLED

Paul Jenkins changes the film at half-time. The camera was mounted above a basket during a game.

A Anti-freeze can was modified to mount the camera.

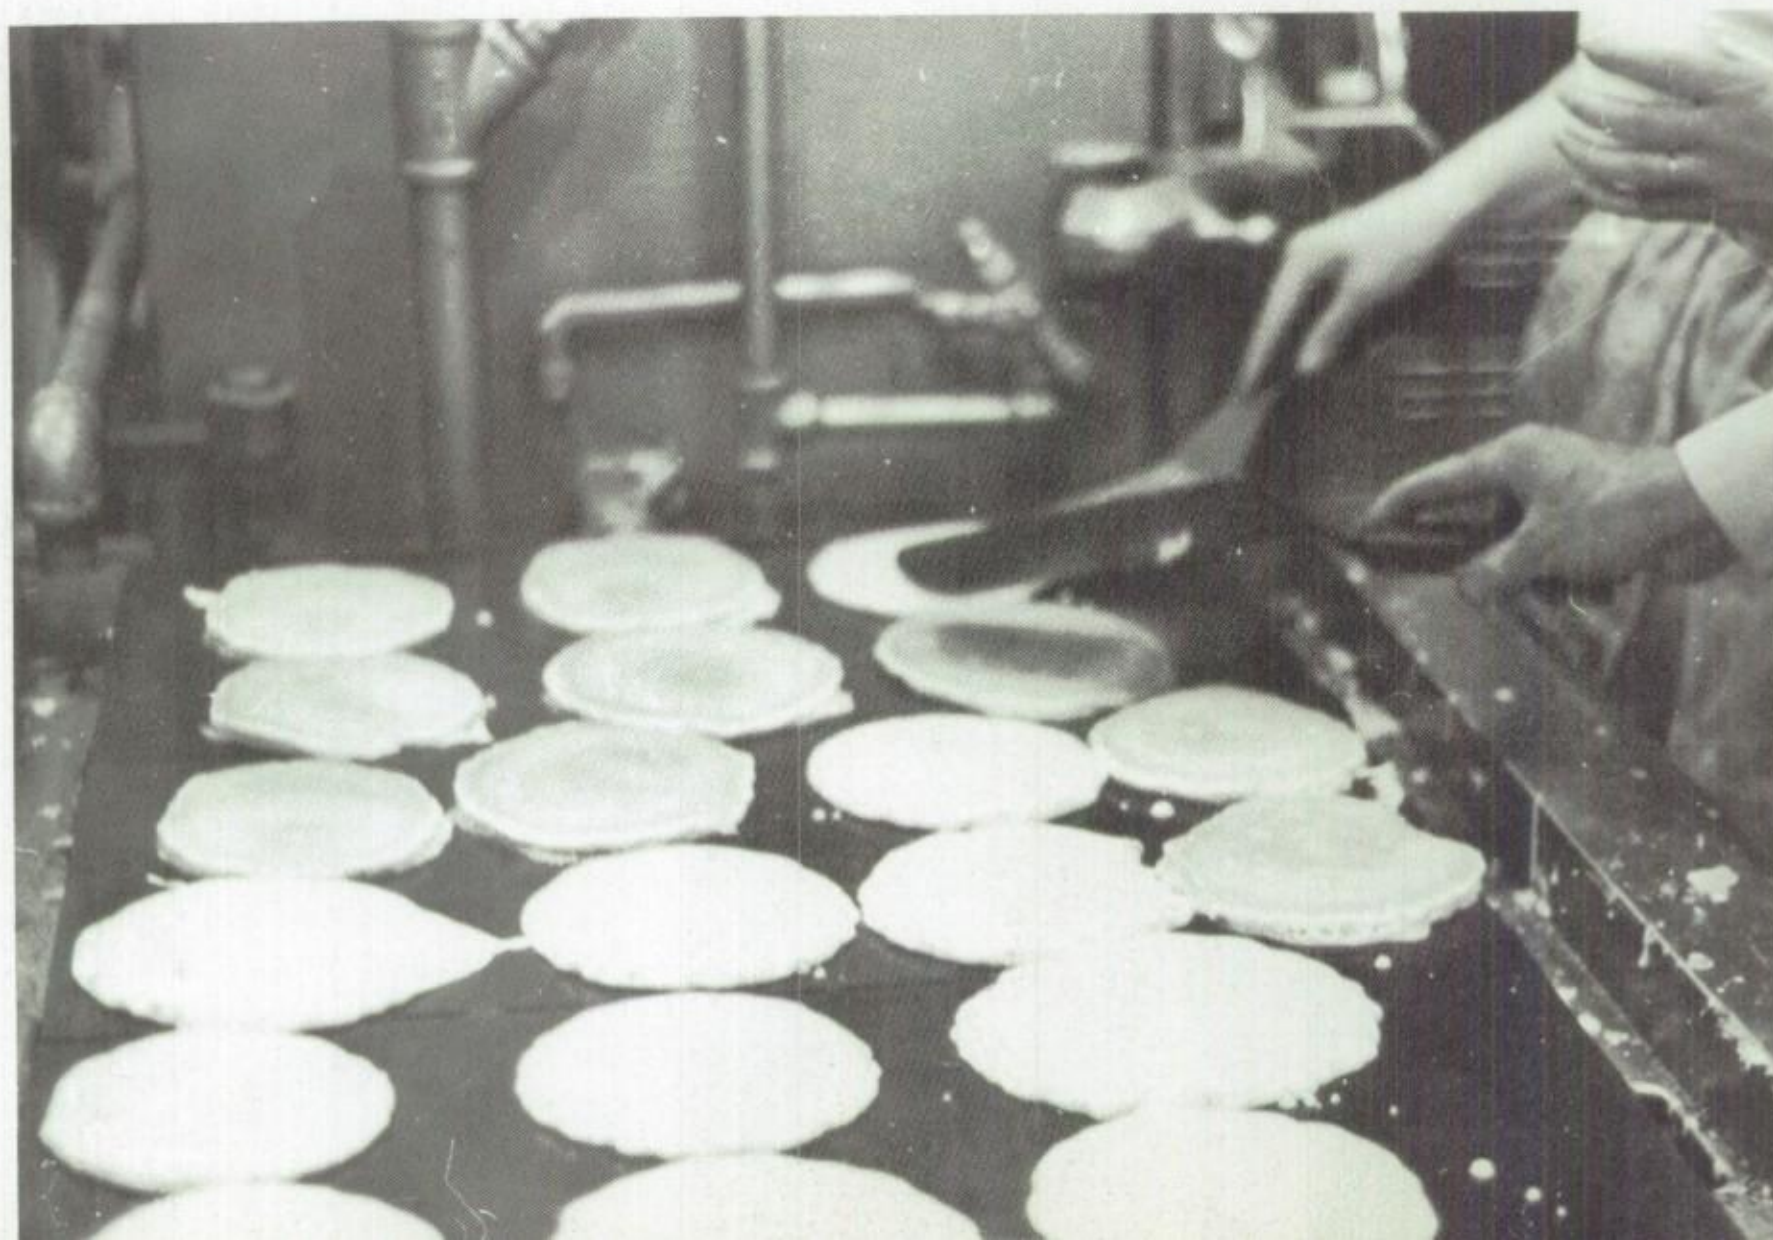

P.T.S.A. PANCAKE SUPPER

The Bonneville P. T. S. A. held a pancake supper in the cafeteria on February 3, to earn money for a scholarship to be given to a deserving senior.

Parents of many students served pancakes, eggs, and sausage. After the supper, entertainment was held in the gym. The Exiles and the Bonneville dance band played their varied styles of music, the Honeybees marched in precision style, and several groups from Ricks College performed.

The students of Bonneville High School have learned more than ever to appreciate the many hours of work put in by our school bus drivers. These able men have spent endless hours taking the students of the district to and from school. Many hours have also been spent providing high school students with transportation for various high school functions. Their diligence, patience, and service is greatly appreciated.
